Jones Lever Binder

This celebrated binder has gained an enviable reputation in the last four years in Oregon. It represents lever power as applied to binding grain. It will run lighter, last longer and bind tighter than any other binder in the market. The Jones Chain Drive foot lift Mower has no back lash, runs light and is very durable. Will cut heavy grass with ease.

Also carry a full line of Hay Rakes, Tedders, Hay Tools, Advance Thrashers and Traction Engines, John Deere Plows, as well as a full line of Agricultural Implements and Vehicles. Call and see me before buying.
