

Up-to-dateness

In a spring suit, the width of a seam, the size of a button or the location of a pocket may sometimes determine the up-to-dateness of the garment. We give the closest attention to all the little kinds of fashion.

Foresight Means Good Sight

If there ever was a truism it is exemplified in the above headline. Lack of foresight in attending to the eyes in time means in the end *poor sight*. We employ the latest most scientific methods in testing the eyes, and charge nothing for the examination. Dr. Phillips, an expert graduate oculist and optician, has charge of our optical department.
