 Last Monday a new time table went into effect on the Southern Pacific Railroad. The night overland now passes here going north at 7 a. m.; going south, at 9:14 p. m. The day overland passes here going north at 5:40 p. m.; going south at 9:22 a. m. The Albany local express train was put on Monday and passed here going north at 9:22 a. m., and goes south at 4:50 p. m. This arrangement gives Oregon City six trains daily to Portland and to points as far south as Albany. The change in trains necessitated the addition of another man to the depot force, and George W. Miles has received the appointment of baggage master, and transfers the mail between the trains and postoffice. E. L. Hoopengartner takes charge in the early part of the day, and Ed T. Fields has the afternoon and night shift.

**DO YOU WANT A BICYCLE?**

The reason why we sell so many wheels this season is because we have the best wheels for the price.

- The Rambler for \$40** is the strongest wheel made. It has the G. & J. heavy tread clincher tires, the finest crank hanger, and is very easy running.
- The Ideal, a \$30 Bicycle** can't be beat for the price. It has also the best G. & J. heavy tread tires.
- The Golden Eagle \$25**, Ladies' or Gents'. This makes a fine ladies' wheel. It is very nicely finished, light and easy running, and will last for several seasons.

We also sell the White, Stearns, Barnes and Mitchell Bicycles. These are all high grade wheels.

We will be only too glad to show you our assortment, even if you do not intend to buy. Come in and see the many new improvements.

The Morrow Coaster and Brake is the greatest invention for this season. With this you ride 50 miles and only pedal 35, and it will take a man, no matter how much he weighs, down a hill that any horse can go down.

We sell wheels for cash or on installments, and take second-hand wheels in trade.
