A Gentle Hint.

In our style of climate, with its sudden changes of temperature, rain, wind and sunshine often intermingled in a single day, it is no wonder that our children, friends and relatives are taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Creup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. Get a sample bottle free from Geo. A. Harding. Regular size, 75 cents. Get Green's Prize Almanac.

FIGURNE.

The Average Length of Human Life might be prolonged if people in general would exercise more judgment regarding their diet. When it is found that a certain article of food does not agree with one then it is time to discontinue its use. It is by observing the effect of various things that are eaten and drunk that enables us to determine just what is beneficial or detrimental to our health. Liquids or solids containing alkalis or tannin are harmful in their effect on the system. Pure tea contains a high percentage of tannin. "Adulterated teas are dangerous. Some of them are actually poisonous—especially green teas which contain copperas and prussian blue."—New York Herald.

Medical science demonstrates that the presence of alkalis, or tannic acid, in food is the direct cause of indigestion and dyspepsia, the knowledge of which led to the widespread substitution of cereal products for both tea and coffee. California produces the best and most palatable substitute now on the market—Figurne Cereal. This health-giving beverage consists of 84 per cent fruits and 16 per cent grains. It is a rich, nourishing drink. When poured into the cup it has the rare amber color of the purest coffee. Those suffering from dyspepsia or nervousness will appreciate Figurne Cereal. It is a boon to the invalid and healthy people enjoy it. Ask your grocer for Figurne Cereal—the perfect breakfast beverage.
