Our offer of a one ounce bottle of Extract of Vanilla free to every lady customer still holds good.
As was explained last week we never offer our Extract of Vanilla for sale until it has thoroughly ripened and matured. This ripening process would do Tonka Bean Extract no particular good—it always has a strong heavy odor and flavor anyway, but extract made from Mexican Vanilla has a different flavor entirely after standing three or four months.
You get 50 per cent more of this extract for your money than grocery store Vanillas. Will you try it?

"Uncle Tom's Cabin" never grows old. There runs through it a vein of pathos peculiarly touching and sweet. It speaks the universal language of the heart. It reflects like the prism the innermost phases of the human emotion. It is more than a play. It is a moral classic. It argues for two of the greatest themes that can engage the mind; human liberty and immortality of the soul. Notwithstanding its frequent production, it is seldom that one sees the play as it is now presented by the Ed F. Davis colossal spectacular. It is like meeting an old friend after many years. The management doubtless believes in the maxim, "What's worth doing, is worth doing well." They have brought together in this production all the requisites that go to make up a first-class entertainment. The Ed F. Davis colossal spectacular Uncle Tom's Cabin company will appear at Shively's Opera House, Friday, Feb. 22. Seats on sale at Huntley's. Prices, 50 and 75 cents. Children 25 cents.
