He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," writes he, "I used one bottle of Electric Bitters and 1 1/2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. Geo. A. Harding will guarantee satisfaction or refund money. Only 50 cents.

Two Opposite Points of View.

Recently Elders Elijah Hyatt and D. P. Williams arrived here from Utah with the object of doing missionary work for the Mormon church in this county. They are both alert young men, without collegiate or seminary education. Instead they can quote numerous Scripture passages, are indoctrinated in the tenets of their peculiar faith, and are positive that, since God's vicegerent, the president of the Mormon church, sent them on their mission, they have gone forth into the "dying world" by divine appointment to preach the glad evangel of salvation according to Joe Smith and Brigham Young, modified by interdiction of polygamy since 1890. The youthful elders are enthusiastic and devoted, as they well need be, for they receive no salary and must pay all expenses out of their own pockets, including that of reading matter they distribute. The ministers of the Latter Day Saints work for spiritual not material reward, and go,

Nerve Food

If you have neuralgia, Scott's Emulsion of Cod Liver Oil will feed the nerve that is crying for food—it is hungry—and set your whole body going again, in a way to satisfy nerve and brain from your usual food.

That is cure.

If you are nervous and irritable, you may only need more fat to cushion your nerves—you are probably thin—and Scott's Emulsion of Cod Liver Oil will give you the fat, to begin with.

Cure, so far as it goes.

Full cure is getting the fat, you need from usual food, and Scott's Emulsion will help you to that.

If you have not tried it, send for free sample, so agreeable taste will surprise you.

like the Jesuit brothers, where their superiors send them. Whether or not we agree with the elders, we should not doubt their sincerity.

The exponent of a different faith has been for a couple of days at the Electric Hotel: E. W. Raymond, the hypnotist, who wanted coin of the realm for imparting the secret of his peculiar art. He was accompanied by a "sensitive," a slender, dark young man with the disposition to drop his prominent lower jaw. Raymond possesses marked hypnotic power, but he can not exercise it unless his subject relaxes the body and concentrates the mind. The sensitive was continually mesmerized. By staring at him fix-ly, Raymond would make him fall forward or backward, or he would put him asleep and make him act the fool
