NEWS OF THE WEEK

Friday, May 3.

in building railroads, developing silver, iron and coal mines and establishing bonded warehouses in the republic of Mexico.

The coal miners of England threaten to strike, as a protest against the government's proposed duty on coal. If they do they will neat the government.

A British electric company has ordered for its new plant several million dol-lars' worth of machinery in this country. The Morgan combine has for \$8,000,000 secured control of the coal industry of the Hocking and Sunday Creek valleys,

in Ohio. King Leopold of Belgium will build electric railways from Brussels to Ant-werp, to Ostend and to Paris.

Russia has virtually arranged with France for loans amounting to 500,000,-000 francs. At Philadelphia, three negroes will be executed for the murder of Roy Wilson

White. At St. Paul, Minn., William Rosenfield drowned himself and four children.

Starvation and typhus prevail among the people of Bessarabia, Russia. The government of Manitoba propose to lease the railroads within the prov-ence for 999 years, in order to control

passenger and freight tariff. The retail grocers of St. Joseph, Mo., have combined and will buy together in carload lots.

More English steamship companies are willing to sell out to J. P. Morgan, in order that they may build new and better vessels.

A normal school of one month will begin at Newport, Ore., July 17. The Tacoma Smelting Co. will spend

\$250,000 in enlarging its plant. The Gray's Harbor, Wash., Oil Co. has sold \$100,000 of stock and will bore for oil at Peterson's Point.

The daughter of W. B. Matthews Prosser, Wash., five years old, perished while out alone on the plains, having got lost while hunting cattle. A New York company will build a \$1,500,000 gas plant at the city of Mexico

Edson Bradley, president of Ky. Distillers' and Warehouse Co., has cornered 20,000,000 gallons of whisky, and a whisky famine is pending. One-third of Canada, 1,250,000 square

miles, has never been explored. During the next five years the Dominion gov-ernment will build several thousand miles of railroad into this wilderness. The hard times have produced a ministerial crisis in Japan.
