There were 144 beds and cots night after night. beggars, and 62 more who lived from charity. Of the women, 181 led disreputable lives. There were in this family 76 convicts, 7 of whom were sentenced for murder. In a period of some 75 years this one family rolled up a bill of costs in almshouses, prisons, and correctional institutions amounting to about \$1,250,000.

ONE BIG LABOR UNION.

Wirn the idea of forming one big labor union of 2,000,000 members, President L. R. Thomas of the pattern-makers, Business Agent William A. Shaw of the machinists, District Master Workman John Fernan of the knights of labor, President Simon Burns of the window glass workers, President John Kunsler of the flint glass workers, President T. J. Shaffer of the iron, steel and tin workers, and Secretary J. W. Pryle of the structural iron workers, met in Pittsburg

It is proposed to hold a national convention, at which representatives of the various labor organizations will be present, in Chicago, July 1, for the purpose of formulating plans to bring all the trades unionists in this country under one federal head. The delegates at this planned as to give to as many as possible convention will represent nearly 2,000,-000 men directly and indirectly connected with the gigantic combinations a memorable one.

that have been ushered into existence during the last two years.

It is claimed the leaders of the workingmen are alarmed over the character and enormity of the combines, and they are inclined to the opinion that the combination of such vast capital bodes no

IS THIS PROSPERITY!

The Philadelphia North American, republican, in a recent issue gives a discouraging description of the depression which prevails in the textile trade. F M Manning to W C Craig, w of se It makes the following summary:

No. of textile employes in Phila... 75,000 No. on "half" or "three-quarter"

2. Underconsumption due to low wages.

3. The war in China.

4. Competition of "substitute" commodities. 5. Change in styles.

6. Change in centres of textile indus-

If we had a low tariff the protection-ists would recommend a high tariff as a S Peterson to N C Hanson, 8 as in If we had a low tariff the protectionremedy; if we had bimetalism the gold standard would be proposed as a panagold standard this depression will be explained as one of those natural and nec-

> > Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civ-ilized world. Your mothers and grand-mothers never thought of using any-thing else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostra-tion or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac at George A. Harding's,

President McKinley.

Will stop at Salem, May 22, Portland, May 22. The Southern Pacific announces rate of one fare for the round trip to Salem from stations between Turner and Roseburg, and to Portland, from stations between Oregon City and Rose-burg. Excursion tickets will be on sale for trains arriving at Salem or Portland County. on the morning of May 22, and leaving same evening or following morning.

The reception exercises have been so an opportunity to see and hear the president. The committee of arrangements will spare no effort to make the occasion

Demand for Normal Graduates. The State Normal School at Monmouth reports that the demand for its graduates during the past year has been much

beyond the supply. Graduation from this school practically assures a place worth from \$40 to \$75 per month. The students take the state examinations able to pass on all subjects required for state papers before graduation. The school has a well equipped training de-partment consisting of a nine-grade town school and of a typical country

NOTICE OF GUARDIAN'S SALE OF REAL ESTATE.

Pursuant to an order of the County Court of Jackson County, Oregon, made and entered on the 30th day of April, 1901, in the matter of the es tate and guardianship of Bessie Randall, Jr., minor child of O. P. Randall, deceased, licensing me so to do, I will, from and after June 20th 1901, offer at private sale, and sell thereat to the highest bidder, for cash in hand, the following described real property belonging to said estate and situated in the County of Clackamas, State of

Beginning 2.72 chains north of the southeast corner of section 7, township 5 south of range 1 east Willamette Meridian; thence cumulug north 18.62 chains; thence west 41.78 chains; thence south 1862 chains; thence east 41.50 chains, to the place of beginning; the same being a part of the Ni of the D. L. C. of I. D. Murray and Maria T. Murray, containing 89 acres, more or less, save and except a right-of-way deeded to Israel Yoder February 10th, 1800, and recorded in Book 37 at pare 89 of the deed of records of said Clackamas

That bids for said property will be received by me at Woodville, Jackson County, Oregon, and after said June 20th, 1901, I will sell and convey the same to the highest cash bidder therefor. MRS. BESSIE RANDALL, St.,

Guardian of the Person and Estate of Bessie Randall, Jr., Minor. Dated, May 11th, 1961.

doesn't come by accident. A fertile soil and careful cultiva-

Yet the farmer who under-Vet the farmer who under-stands that he can't have a healthy corn crop without feeding and weeding, seems to think that he can have a healthy body without either care or culture. But the body is built up just as the corn is, by the assimilation of the several chemical elements on which vitality depends. And what weeds are to the corn, diseases of the stomach and nutritive systems are to the

diseases of the stomach and nutritive systems are to the body; they divert the necessary food supply from the proper channels, and the body becomes lean, sickly and ill-nourished.

The proper digestion and assimilation of food is a primary essential of health. By healing diseases of the stomach and organs of digestion and nutrition, Dr. Pierce's Golden Medical Discovery increases the digestive and assimilative powers, stimulates the action of the blood making glands, and sends to every organ of the and sends to every organ of the body the rich red-corpuscled blood on which physical vigor and vitality depend.

and vitality depend.

"I took two bottles of Doctor Pierce's Golden Medical Discovery, for stomach trouble," writes Clarence Carnes, Hsq., of Taylorstown, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat most anything now. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. There was a gentleman told me about your medicine, how it had curred his wife. I thought I would try a bottle of it. Am now glad that I did, for I don't know what I would have done if thad not been for Dr. Pierce's Golden Medical Discovery."
