For a Canal.

A well known pioneer citizen has handed in the following draft of a proposed ordinance, which follows his idea of conditions. It is worded as written: An ordinance to provide for the improvement of the water power of the Willamette river and the erection of electric light plant and power station.

Oregon City does ordain as follows: That the city council through its proper officers without any unnecessary delay, construct a waterway on Main street from Fourth, south to line of basin and if necessary to extend south to city limits the full width of Main street to be constructed as follows: The grade of Main and cross streets to be raised one foot above the high water mark of the year 1890, excavate street to suitable depth, build a concrete wall on both sides of street to grade of sidewalk, build a bulkhead of concrete two feet higher than the high water mark of the year 1890, with suitable head gates and provide places for the issue of water at each street crossing and alley, cover the waterway by running two rows of piers parallel with the street and to be arched from pier to pier and then to be arched over solid from curb to curb of sidewalk, fill the grade and pave the street.

Oregon City has two streets which give it the right of the water power 120 feet frontage; the factory, Imperial mill and the warehouse has 210 feet frontage. The inhabitants of each side of the river are justly entitled to one-half of the benefit of the power derived from the falls, and it is a poor law that will allow either side to take the greater part and transfer the power to other towns, even if one man owns the land on both sides of the river at the falls. There must be some kind of riparian rights for wires and not allow them to transmit the power to distant towns to the detriment of the inhabitants in the vicinity of the falls.

The people of Oregon City and Clackamas county should do something, and now is the time. This work should not be contracted, and not more than \$300 to be paid for plans and specifications, and no superintendent, but only one head boss.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Bilio-ness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac at George A. Harding's.

The Assessment Will be Higher, But the Taxes Should be Lower.

The Clackamas county assessment roll will aggregate from \$150,000 to \$200,000 higher than that of last year. Assessor Eli Williams says that it is necessary to raise the valuation on account of the increased amount of property not subject to assessment in the county. A number of cultivated farms have been foreclosed by the state school land board, that are now rented out and not subject to taxation under the new ownership. Several field deputies are at work, and an effort will be made to put every piece of property subject to taxation on the roll. The deputies are making special efforts to collect poll tax from every one, and there will be a largely increased revenue from this source. In past years many persons subject to poll tax, who did not pay tax taxes on real or personal property, have escaped for the reason that no determined effort was made to collect it. While it is impossible to make a collection in every case, those who escape will be fewer than heretofore. Under these conditions it is not believed that the taxes will be any higher than last year, and it is probable they will be lower, as the levy will be made accordingly.

Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease of Lawrence Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostrations and general debility; but, "three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting, and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed by George A. Harding.—Only 50c.

The lack of energy you feel, the backache and a run down condition generally all mean kidney disorder. Foley's Kidney Cure will restore your strength and vigor by making the kidneys well. Take no substitute. Charman & Co.
