## BOARD OF COMMISSIONERS. Regular June Term of the County Board.

J. R. Morton, John Lewelling and T. B. Killin, County Commissioners.  
 (Continued from last week.)

In the matter of the Fred Wagner road:  
 In the matter of the report of Chas Andrews, H Andrews and H Cook, viewers appointed at the last term of this board to view and locate a county road situated in Clackamas county, Oregon and described in full on page 38 of this journal, said viewers filed their report showing that they had met on the 15th day of May 1901, a day named in the notice served upon them and were duly sworn by subscribing to a written oath of office administered by John W Meldrum, deputy county surveyor, after which they proceeded to the designated place and did view and caused to be surveyed by said John W Meldrum, deputy county surveyor, the above described road. They also filed the field notes and plat of the survey; said viewers report favorably to the establishing of said road as viewed and surveyed for the reasons that it is a good practical route and of public utility; said report was read on yesterday and now on this day on its second reading, and it appearing to the board that there is no remonstrance or petition for damages filed, and being satisfied that said road will be of public utility, it is ordered and judged that the field notes and plat of said survey be recorded and in all respects approved and that the said view and survey be established as a county road and that the expenses of said view and survey be paid by Clackamas county and the clerk is hereby ordered to issue the necessary notice to the supervisor of the district or districts in which said road lies to open and work the same.

In the matter of work on the Everhart hill:  
 This matter coming on and the Board being fully advised, it is ordered that W H Engle, road supervisor of district No 26, commence and work the hill recently surveyed and known as the "Everhart Hill," by grubbing, clearing and working said hill, with work subscribed by citizens of said district No 26, and of Clackamas county, and by working what is known as the Engle petition first.

In the matter of the assessments of lands belonging to the State Land Board:  
 Now at this time comes on to be heard the application of the State Land Board for the cancellation of certain assessments of lands belonging to it, and upon information and representations of M L Chamberlin clerk of said board and it appearing from the records that in the year 1898 there was assessed to Geo Pfeister land which is described at page 32, volume 6, of the record of delinquent tax sales for said year, and that said land was assessed at \$32.36 including costs, and that said land was sold to Clackamas county for delinquent taxes for said year, and it further appearing that said land was assessed to Schaffers Bros for the year 1899 at \$32.44 including costs as appears at page 33, volume 7, of the sales book for delinquent taxes for said year and was sold to Clackamas county for taxes for both of said years.

That the said land belonged to the State Land Board and was wrongfully and unlawfully assessed to said parties, and the Board being fully advised in the premises, it is ordered and adjudged that the lien or claim of Clackamas county against said land for said taxes be and the same is hereby cancelled.

In the matter of the assessment of property belonging to State Land Board:  
 Now at this time comes on to be heard the petition of Anton Schaffers asking for the cancellation of the taxes assessed against the property described at page 387, line 12, of assessment roll for the year 1900, and it appearing that said property belonged to the State Land Board.
