

CLACKAMAS COUNTY NEWS

Stafford.

This has been the hottest month we have had for two years.

Grain is ripening rapidly, and harvest is well along.

Roads are out of sight in dust.

John Moser has returned from Portland, where he has been in a hospital for a month. Mr. Moser is quite low with consumption.

Henry Baker is barely able to walk about. He has been confined to the house for about six months.

Arrangements have been made to have Stafford school No. 41, commence Sept. 16th, with Miss E. A. Downing teacher.

G. Moser's windmill pumped his well dry a month ago, and coaxing has not succeeded in replenishing the supply.

Potato fields need rain. We had but .19 of an inch of rain during July and none as yet this month.

There are only a few army worms this season.

The Moser threshing outfit of Moser & Co. has changed hands until it is mostly owned in Frog Pond.

Mountain Road.

The Southern Pacific is going to build a track to the island from here for the purpose of hauling gravel for the track.

Quite a number of the sports took their bikes and lunch and went up on the Molalla Sunday to fish. We think one of the ladies succeeded, as we saw a sucker hanging on the gate last Sunday.

Misses Anthony and Rief went to Canby Monday, and while returning home one of the wheels got locked and were obliged to carry it until they reached Mr. Crader's place, where it was repaired. John repairs all the pretty little girls wheels, free.

The Misses Hattie and Amelia Spulak were visiting Miss Maybelle Anthony a few evenings ago.

Ora Syster makes regular trips three times a week to Mr. Rief's home. There must be something very attractive over there.

Julia and Anna Shefchic, who have been working in Portland, are visiting their parents for a short time.

There seems to be a very strong magnet in the vicinity of Hog Hollow, as it seems to draw two certain young gentlemen up the hill every Sunday evening in that direction.

Restara.

Everything in the Millinery line at a great reduction. Miss Goldsmith.

Marks Prairie.

Very warm weather.

Farmers are harvesting here, and some threshing has been done. The yield is good. Wheat is averaging 25 bushels to the acre.

Henry Kocher threshed 600 bushels of wheat from 21 acres. This is the best yield of the prairie.

The hop crop here will not be as large as last year, owing to so much dry, hot weather.

Potatoes are drying up, and a small crop will be the result.

Several of the young men of Needy have returned from the Eastern Oregon harvest fields.

G. W. N. Taylor was calling on friends at Barlow the past week.

Your correspondent returned from Howell Prairie yesterday. Harvesting is well along there.

Hop picking will begin about September 1st here. The price to be paid is 40 cents for your correspondent was informed by one of our growers.

The Glad Tidings correspondent got things wrong about the prize fight at Liberal on the Fourth of July. I will

inform him that I propose to prosecute the parties concerned in said fight at the November term of court, and we will then see if the Glad Tidings man is not one of the parties concerned in said scrap. He will have a chance to tell what he knows about that affair in public.

Great reduction on all trimmed hats at Miss Goldsmith.

Beaver Lake.

Hot weather still continues.

A. E. Thomas, of Scott's Mills, was having in this section last week.

Mrs. M. A. Nicholson left Monday last for Eastern Oregon.

An exciting game of baseball was played between the Macksburg and Needy teams at Wilhoit Sunday last. The score was 20 to 13 in favor of Macksburg.

Bear hunting is a new industry invented by C. A. Ryan, a notorious bear hunter.

Harvie Dart and wife, of Molalla, were visiting relatives in our midst Sunday last.

G. T. Slaughter, a well known freighter of this district, is still seen diligently wielding his 20-foot whip on his four horse team to keep them in the road.

We were all relieved by a gentle thunder shower Wednesday, which was a great benefit to late sown grain and gardens.

Earl and Oscar Davidson, of Russellville, were transacting business near Beaver Lake Wednesday last.

Emery Thomas, of Scott's Mills, was seen in our midst one day last week.

A beautiful line of baby bonnets and hats, all reduced, at Miss Goldsmith.

The Modern Brotherhood of America gave a dance and social at Wilsonville last Saturday night, which was a grand success financially as well as socially.

The grain crop promises well in this vicinity, judging by what grain has been already threshed.

Joseph Epler, who has been staying in Portland, is home on a visit.

Mrs. Bateman, of Portland, visited friends in Wilsonville this week.

Johnson & Lamb make a specialty of key fitting.

Glad Tidings.

Harvest is here.

The hum of the binder can be heard in every direction at present. Everyone has a good crop this season, and will have plenty of grain if it doesn't rain too soon.

There is every indication of rain now.

Everybody goes to Wilhoit on Sunday.

"Evergreen," an ice cream social would be alright, but next time let the people know about it before it comes off.

Mr. Moore's new house is progressing very nicely under the workmanship of Cyrus & Cliff Hendershott. All that is lacking is a painter. What's the matter with Lewis, has the pole worn out the brush?

W. W. Irvin, of Aurora, passed through this burg last week.

Brenton will visit Beaver Lake as long as his load stone remains in that part of the country.

Billy Broyles was the first man in our section to have any threshing done.

Hops are looking very well and not many lice at present.

Beaver Creek.

Weather very hot, and harvest in full blast.

James Shannon, of this place, was operated on for appendicitis a week ago last Monday, and he is reported to be getting along nicely.

Edwin Howard and family and J. Mathie and family were visitors at the home of Mrs. J. Kirk last Sunday evening.

Ernest Kirk and bride arrived from Monument, Grant county, Oregon, at which place he has made his home for the last three years.

Shannon & Sons have begun threshing.

A breakdown of Shannon's thrasher on the Marlin farm caused some delay, and also a trip to Portland for repairs.

A small amount of work has been done on the hall.

Married, on August 7th, 1901, at the residence of the bride's parents, Mr. and Mrs. J. M. Hoy, Miss Annie Hoy, and J. E. Kirk, Rev. M. M. Brierly officiating. The contracting parties are residents of Monument, Grant county, Oregon. The groom was a former resident of Beaver Creek, Oregon.

So the bride and groom today

On the sea of matrimony launch away. The waters all smiling and peaceful seem As you sail away from shores of green The friends that meet to bid you God-speed

Are the friends of your youth—true friends indeed.

The unknown sea may be wide and deep But with faith in God your course will keep

His faithful word like a light house stands To guard against rocks, shoals and sands. If to Him and each other you both are true

Your bark, he will guide o'er the ocean's floor

Your anchor you'll cast on the heavenly shore.

Redland.

Hello, Mr. Editor! Your correspondent will endeavor to send you some news after his annual outing in the hay field.

Harvesting is in "full blast." Grain generally is taking more time this season than usual.

W. H. Bonney, our enterprising sawmill man, has added a nine-pound boy to his mill crew.

Herman Fisher has a 10 1/2 pound drish washer at his home, who arrived late in July.

Mr. and Mrs. Harnish and family, of Portland, were visiting at J. G. Bargfeld's home the past week.

Those present were: Misses Bertha Friederich, Hazel, Mable, Pearl and Ruby Francis, Josie and Frankie Curran, Gertrude Hamilton, Maud Moran, Ruby Howard, Lillian Gilbert, Stella Kell, Evelyn Barber, Albert and Richard Friederich, Mrs. Francis and Mrs. Friederich. The children played games until 5 o'clock then they went home highly delighted with their after-noon's entertainment.

Garfield.

It is very warm, although probably not so hot as it is in the East. The gardens and potatoes need rain.

Mr. Yocum started his new threshing machine this week at Mr. Horger's place.

Lou Palmateer and Wilbur Wade will bring out from Portland this week a new Case separator.

My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."

W. D. Quinn, Marseilles, Ill.

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

A car load of milk crocks just received and will sell at 8c per gallon. W. L. Block, the Homefurnisher.

We are having some hot weather in this part of the country.

The two new threshing outfits here have started out to work.

Shaver & Adams gave their thrasher a test by three hing a part of Mr. Broils' crop. Their self-feeder did not work satisfactorily, but the company from whom the machine was purchased, sent a man from Portland to see what was wrong. He found that the governor on the self-feeder was not properly adjusted, and it will probably work all right now, and they will start out again in as short time.

Cole Bros. have tested their new Advance separator and find it satisfactory.

A party of surveyors were camped here recently. They are making a geological survey of the government timber reserve in the Cascade mountains. The outfit consisted of four men, seven horses and four mules. They started in at Eugene about May 1st, and it will take them until the first of November to finish. They report feed as being scarce in the mountains.

It is reported that the huckle berry crop is almost an entire failure in the mountains this season.

Peter Boyles is visiting at Molalla. He and C. J. Gipson have sold out their blacksmith business at Silverton.

Adams Bros. have commenced work on John Cole's house.

There is considerable sickness around here, owing, perhaps, to too hot weather.

The readers of this paper will be pleased to learn that there is at least one drugged disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing his work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
