## The Housefurnisher

We Point With Pride to our immense new stock of Lace Curtains—Our stock is complete, all the designs are new, and all are made graceful and pretty to insure the best effects—We will be proud to see the houses of this community decorated with them. Our prices are lower than those of Portland houses. We invite inspection.

### A FINE COLLECTION

We have gathered a splendid collection of handsome Carpets and Mattings in new and stylish patterns at moderate prices. Our matings, flowered, plain, linen and Japanese figured, are the delight of all who see them. They cost from fifteen cents a yard up to fifty and will outwear carpet.

### DOES THE WORK

It isn't hard work to run the Climax Machine. The machine does the work for you. It is perfectly adjusted, the wheels work easily, the stitch is even and threading simple. You couldn't have a better friend, and our terms enable you to buy without much cash. Price \$25.00.

### THE BEST MUSIC

We offer the best instruments. Our Busch and Gerts Piano has all the merits of the finest Piano made, and yet costs less than three other famous makes. Price \$315.00.

### A SIMPLE PICUTRE

Looks well if it has a proper frame. We'd like to make the sort of a frame that will give to your picture the best appearance. Our knowledge and stock will help to ornament the walls of your house. We'd like to talk to you about it anyway.

### THE RIGHT PAPER

Your room has limitations. The right paper will improve it, the wrong paper will mark it. The color and figure are both important. Our variety is great enough to enable us to just suit you and your room. You'll be pleased at the range of designs and prices.

### ARE YOU FIXED FOR SPRINKLING?

If not, we can fix you for it in a little while for a little money. Tell us where you live and we'll send a man to give you an estimate. Life is hardly worth living unless you can sprinkle your lawn. 50 ft. of 1/2 in. hose for \$3.50
