is, I'm about at the end of my string. I've tramped this city for work until I'm sick. I'm in plenty of company. Say, I'd like to ask a question of the minister if it's fair. May I?"

"That's for Mr. Maxwell to say," said the bishop.

"By all means," replied Mr. Maxwell quickly. "Of course I will not promise to answer it to the gentleman's satisfaction."

"This is my question." The man leaned forward and stretched out a long arm, with a certain dramatic force that grew naturally enough out of his condition as a human being. "I want to know what Jesus would do in my case? I haven't had a stroke of work for two months. I've got a wife and three children, and I love them as much as if I was worth a million dollars. I've been living off a little earnings I saved up during the World's fair jobs I got. I'm a carpenter by trade, and I've tried every way I know to get a job. You say we ought to take for our motto, 'What would Jesus do?' What would he do if he was out of work like me? I can't be somebody else and ask the question. I want to work. I'd give anything to grow tired of working ten hours a day the way I used to. Am I to blame because I can't manufacture a job for myself? I've got to live and my wife and my children. But how? What would Jesus do? You say that's the question we all ought to ask."

A WORTHY SUCCESSOR.

"Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases inhalers and drugs in paste form. The powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.
