We Are Prepared To Carry Out Your Doctor's Orders To The Letter

Ever try us? It has always been our ambition to make this THE Drug Store of Oregon City—a place where your medicine would be as carefully and intelligently prepared as in any Drug Store in the State. To this end we have everything obtainable in the way of modern appliances for doing this work successfully. We buy pretty nearly all of the new drugs and chemicals as they come out, to meet the first demand of the physicians; we also buy everything possible direct from the manufacturer in order that there may be no question as to freshness and quality. These may seem small items but in reality they mean everything to the patient.

For over 10 years we have been preparing prescriptions at the rate of 8000 per year; during this time we have filled prescriptions written in almost every state in the Union, as well as thousands written by the physicians of Oregon City. We have prepared them all carefully and honestly, and we believe every doctor will say that he always gets what he writes for when his prescription goes to Huntley's. If you trust us with your prescription we will fill it exactly as it is written (no matter by whom written) at a price so reasonable that you will come again.

Horse Dentistry

Prof. O. F. McIntosh, the veterinary surgeon, was in the city Wednesday to attend to some cases of horse dentistry. He claims to be the father or originator of this branch of the horse physician's profession, having introduced it in the Middle West about 30 years ago. Often horses are believed to have the colic as an initial ailment, when it is but a secondary disorder, produced by an ulcerated tooth in the horse's jaw, which prevents chewing, and forces the animal to swallow its food without mastication. Horse dentistry is not a business that a weakling can follow. McIntosh stands about six feet in his socks and has powerful arms.

Regular July Term of the County Board.

J. R. Morton, John Lewellen and T. B. Killin, Commissioners.

In the matter of the petition of E P Bands for adjustment of taxes: The petitioner shows that he is the owner of lots 8 and 9, block 8, of Pleasant Hill addition to Oregon City; that since purchasing said property he has discovered that the taxes on said property for the years 1892, 1893, 1894 and 1895 are unpaid, amounting to the sum of \$21.66 for the several years. That said tax warrant was not assessed to the true owner thereof, but was assessed to E D Thomas for 1892 and to J G Thomas for 1893 and 1894 and to M E Church South for 1895, and was erroneously indexed. It is ordered that on payment of the above sum of \$21.66 the clerk cancel all costs and penalties that have accrued against said land and also a poll tax of \$3.00 assessed to J G Thomas in the year 1894.

In the matter of petition of E F Bozarth and R J Hendricks for relief from penalty on certain lands: This matter coming on to be heard by petition of E F Bozarth and R J Hendricks, by their agent, Scott Bozarth, showing to the Board that the taxes, including costs on lots 1 to 5, block 9 and 44 to 48, block 9, Minthorn addition to Portland as assessed against E F Bozarth for the year 1898 amounts to \$5.32 and on lots 14 to 19, block 97 and lot 1, block 98, amounts to \$4.63 or a total of \$9.95. For the year 1899 the taxes on the above, including costs, amounts to \$8.49 making a total of \$18.44. Also the taxes against R J Hendricks for lots 25 to 43, block 12, and 8 to 24, block 17, same addition, amounts to \$9.44 for 1898 and to \$9.72 for 1899, or a total of \$19.16 for the two years including costs. Petitioners ask the Board to authorize the clerk to accept the above amounts in full for taxes for the years 1898 and 1899, and thus relieve them from the penalty on the grounds that the assessment for these years is irregular in that each lot is not specifically assessed. And the Board being fully advised, it is ordered that the above amounts be accepted in full for the above mentioned years and that said petitioners be relieved from penalty.

In the matter of petition of Henry Sander for return of money paid on lots 23 and 24, Minthorn addition to Portland: A Luelling files a petition for Henry Sander for taxes, lots 24 and 25, block 70, Minthorn addition to Portland, for the sum of \$3.81. Making in all a total outlay of \$7.71. That on May 15, 1896, S. H. Friedlander redeemed said property by paying to Clerk Horton, the sum of \$4.57 and also taxes on same, amounting to \$1.44, and it appeared to the Board that said S. H. Friedlander has redeemed said land, and that since the 15th day of May, 1896, Henry Sander has had no interest therein, and that in justice Henry Sander is entitled to the purchase money paid Sheriff Maddock and all taxes and recording fees which he has paid on account of said purchase, it is ordered that the clerk issue a warrant to Henry Sander for the sum of \$7.71.

In the matter of rebate of tax of Nicholas Rath: J J Cooke files a petition showing that Nicholas Rath was assessed for the year, 1899 with the sum of \$6.72, also on 19, t 3 a, r 5 e, on page 663, line 12, also on page 719, line 6, making double assessment for the same year on said property, and that both assessments have been paid. It is ordered that the clerk draw a warrant in favor of Nicholas Rath for the sum of \$1.12, the amount of tax overpaid and caused by said double assessment.

In the matter of the petition of E J Russell for cancellation of certain taxes: Said petitioner shows that lot 4, block 44, O. L. & S. Co's addition to Oswego was assessed to and paid by the said Oregon Iron & Steel Co for the year 1894 and that the same lot was assessed to E J Russell for the same year and now remains unpaid and delinquent, and the Board being satisfied that said assessment is a double assessment it is ordered that the clerk cancel said double assessment of record for said year 1894.

In the matter of a spring in the county road near New Era: Ordered that Mrs. J. C. Newberry refrain from disturbing or molesting said spring in any way whatsoever without permission from this Board.

The valuation to what was assessed as non-tillable should have been only \$536. Said property being part of Bidwell D L C and assessed on page 630, vol. 3, tax roll of 1900 and that the said sum of \$18.20 be accepted by him in full satisfaction of said taxes for said year.
