A Trust Article and Price.

The following from the Eugene Guard, The following from the Eugene Guard, will be appreciated by the fellows who work on the shift 13½ hours for \$1.50: "In June 1890, a little over a year ago, the Guard bought news paper for \$2.85 per hundred pounds. About that time the paper manufacturers got together in the paper manufacturers double subspace coined into dollars which are piled up in the treasury vaults. No treasury no e has ever been presented for redemption in silver nor will it be. The money a trust and began to gradually advance the price. Paper bought the other day cost \$4 per hundred pounds. piled up in the treasury could be put in circulation without impairing the security of holders of treasury notes in the

Figure out the percentage of increase -\$1.15. It is nearly half the June,1900, price, to be exact forty per cent. That is what a trust has done to the newspa-purs. We do not charge a cent more treasury, has been taken from the peofor subscription or advertising rates now ple by indirect taxation. The withdralthan then, yet our paper costs us for ty per cent more. We do not love trusts, al of it from the arteries of trade and commerce has contributed to no small in fact believe we are being robbed by one of them.

extent to depress prices of labor and ag-The material, balm trees; from which this paper is manufactured grows along the Willamette river. It costs no more today than it did in June, 1900. We have not heard of an increase of wages The canens of 1900 gave the United States a population of 76,000,000. The total coinage to June 30,1900, was \$2,906have not heard of an increase of wages to the Oregon City paper mill employes. The Portland deaters were just as anx-ious to sell us paper June, 1900, as they are today. They were not losing money on the goods. We are anxious to know who gets that forty per cent advance that we are paying. We like prosper-ity but do not want the other fellow to get it all 000,000, a per capita coinage . # \$39. Of this \$15 per capita is locked up in the treasury, and that, too, when it could be put in circulation if the republic n According to the reports recently isget it all

Y. M. C. A. Notes.

The work in the Young Men's Christ-ian Association has begun in earnest. Nes members are continually coming in and the outlook is quite encouraging for a prosperous season. Last Sunday aiternoon the first regular religious meeting was held and the good attend-ance vas noticeable. General Secretary get. They have learned, unless they memory of scenes witnessed the last few are "brothers of the ox," that they must fight their oppressors, the tyrants of the into the minds of the women to remain which was good, as all his meetings are. Loyalty to the Association, and com-pactness in effort was urged. With these two essential attributes, the accomplishment of much good is a cersome old enough to remember for themtainty.

will be special classes for business men three afternoons of each week from 5 to 6 o'clock. Young men will have their hours after 7 o'clock p. m., Intermedi-ates are to be given three half days in the gymnasium, and the juniors will have two. In all probability a ladies' class will be organized after the work is arranged.

The educational classes will begin work on the evening of Oct. 7th, and only competent teachers will be em-ployed. It will be required that all To Trade-100 acres of la THEODORS ROOSSVELT becomes President of the United States at the age of those who enter the night school shall be members of the Association. The forty-three-an astounding climax to fee will be so small that any one, not already a member, can afford to join in order to take the work desired.

warnings can-not escape her punishments, and dys pepsia or stomach "trouble" is the inva-

riable penalty of care-less eating. There is no other medicine for diseases of the stomach and allied organs of di-gestion and nutrition which can compare with Dr. Pierce's Golden Medical Discovery. It cures these diseases perfectly and permanently, and enables the build-

body into vigorous health.

body into vigorous health. "I took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble." writes Clarence Carnes, Esq. of Tayloratown, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat most anything now. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. There was a gentleman told me about your medicine, how it had cured his wife. I thought I would try a bottle of it. I am glad I did, for I don't know what I would have done if it had not been for Dr. Pierce's Golden Med-ical Discovery."

Dr. Pierce's Pleasant Pellets cure constipation.

A Knight of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she would die from pneumonia before morning," writes Mrs. S. H. Lincoln, who attended her that fearful night, but she begged for Dr. King's New Discovery, which had more than once saved her The gymnasium classes have been started and this work will be made a special feature of attraction and benefit to the young men of Oregon City. There is entirely cured her." This marvel-
