A Watch is not bought the same as other merchandise. When you purchase a suit of clothes or a pair of shoes you can usually tell what it is, but when you invest your money in a watch you have to depend entirely on the dealer.

Dealing in Watches and repairing has been our business for over twenty years. We have made it a specialty. We know all about Watches and their value. When we buy our watches from the factories, we buy them right and we sell them again we know what we can recommend to our customers. For this reason we guarantee to give satisfaction.

At present we have a large assortment of BOSS FILLED WATCHES, they are of the very latest designs and we are offering them at a reasonable price. If you have been thinking about purchasing one we would like to have you look over our stock. We know that they will please you. We have them in all grades and all sizes.

We have a SPECIAL OFFER for those who would like to own a high grade time-piece and can not afford to pay for it all at one time. We will sell watches on the installment plan. You make a payment when you buy the watch and pay the balance in weekly or monthly payments. We would be pleased to explain this method to you.
