Sheriff Cooke has completed the sale of all delinquent tax property bid in by the county from 1892 to 1898, as directed by the county board under the new law. It cannot be ascertained how the county stands in the matter until some figuring is done. This law was passed by the late legislature for the relief of capitalists who held mortgages on property sold for taxes, thus enabling them to bid in the property for a much less sum than the taxes assessed against it. This law also gave people, whose property had been bid in by the county for delinquent taxes an opportunity to redeem their property without paying the penalty. On this account County Clerk Cooper has collected \$2,751 25 from people who have redeemed their tax-sold property since April 1st.

The Men's Club of the Congregational church is negotiating for a series of public entertainments for the season besides their social suppers. Among the talent that can be secured for this place are such well known platform entertainers as "The Rambles Horn Man," Mrs. Helen Proctor and Miss W. H. Allen Dromgoole. This with an entertainment by home talent would make a very desirable course. If sufficient encouragement is given by the church and its friends the Men's Club, in the near future, will close a contract for this array of talent.

### FRATERNAL MATTERS.

The lodges and fraternal societies are getting down to active work, and many interesting events will take place during the coming winter. The social life of a large number of Oregon City people is closely allied with lodge work and gatherings under its auspices.

Willamette Camp, Woodmen of the World, are eagerly looking forward to the early completion of their new hall, which will include the entire upper story of the Stevens-Howell building. It will be by far the finest lodge room in the city. A decorated arched ceiling will be one of the attractions of the lodge room. It will be connected with the banquet hall by folding doors, and there are ante-rooms and closets suitable for every convenience. Applications to rent the hall have been received from other societies to rent the hall for every evening in the week, except Monday night. The Woodmen are making a determined fight to secure the Chickering piano, as they desire it for their new hall.

Fells City Lodge, A. O. U. W., has a new goat and other paraphernalia, and is having some very interesting meetings. This lodge is not contesting for a piano, as the Degree of Honor has an excellent instrument in the hall. The lodge has a large membership of carefully selected material, and it is very seldom that a member is suspended for non-payment of dues. The lodge has its own hall, attractively furnished, also cooking utensils and dishes. The lodge of Honor are admirable entertainers, and give very satisfactory social entertainments.

### Spatz-Kalbfleisch.

Miss Henrietta Kalbfleisch and Daniel M. Spatz were united in holy wedlock at the home of the bride's parents, Mr. and Mrs. J. Kalbfleisch at Canby on the evening of Sept. 25th. Mr. Spatz is a prosperous farmer, of Jewell county, Kansas, and Miss Kalbfleisch is a highly respected young lady of Canby. Immediately after the ceremony conducted by Rev. J. K. Elmer, of Canby, in the artistically decorated parlor, congratulations were received from the guests, and the wedding party was escorted to the dining room where an elaborate supper was served. The remainder of the evening passed pleasantly. Mr. and Mrs. Spatz will make their home at Molalla.

Away Off His Base.

The Oregon City edition of the Evening Telegram of last Thursday, read very much like the reporter was muchly misled or a long way off his base. One line read as follows: "tate and personal edy u owilltan elatoy." Then in an item about the Sawtell will it says the instrument was filed for probate Wednesday afternoon and the property was bequeathed to the widow and daughter. The Enterprise added insult to injury by copying the item word for word. The fact is this will was admitted to probate, not filed, on Tuesday morning. The property was bequeathed to the widow, and the daughter is to receive a legacy of \$100. The true version can be found in the Courier-Herald of last week. On Saturday evening the Telegram filled up on news from the Courier-Herald printed Thursday evening, and called it "Today's News."

### SOCIAL EVENTS.

### COMMENTARY

The state fair is over and the rain has given away to warm, smoky weather.

Many farmers estimate that the potato yield will not be much over a half crop. However, the indications are favorable that the selling price may be double what has been during former years.

The loss of the flouring mills by fire at Aurora is to be regretted. The mills were a convenience to many Clackamas county farmers, who had only a short distance to "go to mill."

In the matter of prunes and apples Clackamas county is doing herself credit in the fruit line this year. There will be thousands of pounds of dried prunes, and the apples are of extraordinary quality. Nature favored the Clackamas county apple this year, inasmuch as it grew free from worms and pests. The apples are not of unusual size, but the deficiency is made up in quality.

This has been a good year for Clackamas county sawmills, as many new buildings have been erected in both the city and country, and roads and bridge material have taxed the capacity of some of the mills.

### A WORTHY SUCCESSOR.

"Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in waste form. The powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.
