Brain-Feed Nonsense.
 Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet how- ever good your food may be, its nutri- ment is destroyed by indigestion or dys- pepsia. You must prepare for their ap- pearance or prevent their coming by tak- ing regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids di- gestion, stimulates the liver, to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at George A. Harding's drugstore.

SOCIAL EVENTS.

Fully 100 persons passed a very en- joyable evening at the sociable held at the Congregational church last Friday evening. The program consisted of an organ solo by Mrs. F. F. White, a vocal solo by Master Hawley, club swinging by Robert Warner, and a vocal solo by Mrs. W. B. Wiggins. The affair fulfilled the purposes intended, and was a social success.

The Oswego Congregational church gave a unique social and entertainment Friday evening, that was very credi- table to the participants and manage- ment of the affair. One of the features was the representation of an old-time New England kitchen with life-like scenery and characters to match. E. J. Russell had charge of the music; Mrs. G. H. Pettinger directed the affairs of the kitchen, while Misses Edna Kin- kade and Addie Smith presided at the organ. The musical numbers were in accord with the event, and the costumes were artistic and appropriate. Several very creditable literary numbers also were presented.

Rev. St. Clair, the retiring pastor of the Methodist Episcopal church at Os- wego, was given a farewell surprise party by the members of the Epworth League. Regrets were expressed on ac- count of the pastor's early intended de- parture. Rev. St. Clair was assigned to the Beaverton church at the recent ses- sion of the conference.

The Mothers' Club were entertained at the home of Mrs. George C. Brown- ell Thursday afternoon. Mrs. A. H. Adams read an interesting paper on emi- nent women of America, and an inter- esting social discussion followed. Re- freshments were served by the hostess. It was voted that the club take mem- bership in the federation of womens' clubs.

The assembling of the members of the Methodist Episcopal church congrega- tion Tuesday evening to welcome the pastor, W. S. Grim and wife, in honor of his re-appointment to this charge by the conference was a congratulatory and social greeting affair. There was no set program, stiff formalities or long speeches. It was a social, home-like gathering. C. A. Williams gave a short address of congratulation and wel- come, which was cheerfully responded to by Rev. Grim. Charles A. Miller gave some reminiscences of early days in the East, and Master Ross Grim sang a solo. Refreshments were served at daintily decorated tables in the church parlors, consisting of sandwiches, coffee and cake.

A delightful social gathering was held at the Seventh street hall Saturday night, under the auspices of the Maple Lane Grange. There was a literary and musical entertainment, refreshments and dancing. P. D. Curran was the principal director of the affair. The Ely correspondent gives a more ex- tended account of the function.

SCHOOL NOTES.

The Oswego school, which graduated more eighth grade pupils last year than any other school in Clackamas county—that is pupils that actually passed the rigid county examination, now has an enrollment of 420 students, and more coming. The teachers are Professor H. T. Evans, principal; Misses Geor- giana Bell and Pearl Nida, primary teachers, and Miss Maggie Guttridge, teacher of the intermediate department.

The public schools of this city opened last Monday with an attendance of 54 pupils, 27 in each room, which number will be largely increased in a short time. The new course of study was put in use and a lively scramble ensued during the first day to get the proper books and the pupils in the proper classes. The school in charge of Mrs. Collins, formerly Miss Gertrude Finley, and Miss George, will undoubtedly be a success.—St. Helens Mist.

Professor and Mrs. Shirley Buck now have 80 pupils enrolled at the Cane- mah school, giving the teachers about all they can conveniently handle. The school is progressing in a very satisfac- tory way to the patrons and pupils.

A special meeting of the voters of the West Oregon City school district was held Friday night, and it was voted to have instruction in the ninth and tenth grades. Professor T. J. Gary, (not Gearing as spelled in a semi local sheet,) has heretofore had work in the ninth and tenth grades, but under the new law certain school districts are required to vote on the proposition.

Frank Walsh is Married to Miss Ehret at Marysville, Calif.

Frank Walsh, a Spanish war veteran, formerly of Oregon City and Milwaukie, was married at Marysville, Calif., on Sept. 25th. The Democrat of that city, gives the following account of the affair: "At 8 o'clock this morning wedding bells were ringing and they brought two loving hearts together at St. Joseph's church, where father Colman pro- nounced the words that joined them in wedlock. Promptly at the hour men- tioned, Frank Walsh, of this city, and Miss Mona Ehret, of Santa Rosa, joined hands and hearts for life's journey, only near friends being present. The story of wooing in this instance is laid in the Willamette valley, Oregon, prior to the war with Spain. The families of which the bride and groom are a part were prominent farmers and resided near the town of Milwaukie, and it was there that the two grew to maturity. When the war with Spain demanded volun- teers, Frank Walsh went to the front and served faithfully and well. In the meantime, Mr. and Mrs. R. Ehret went to Santa Rosa, where they now reside, and where Frank Walsh found Miss Mona on his return from the war. When the new war mill commenced opera- tions Frank Walsh was one of the op- eratives for that institution, who came from Oregon to reside here. After a short trip to the south, Mr. and Mrs. Walsh will make Marysville their fu- ture home at 622 E street.

Socialistic Resolutions.

J. S. Casto and J. Hinck, the com- mittee on resolutions at the mass con- vention of socialists, recently held in Salem, submitted the following, which was unanimously adopted:

Whereas, the President of the United States has been brutally murdered by the hand of an assassin and seventy-five million loyal citizens caused to mourn, and,

Whereas, We believe that this hein- ous crime is the natural outgrowth of the present competitive system, there- fore,

Resolved, by the socialists of Oregon in mass convention assembled, that we do in unqualified terms, condemn this atrocious and heinous crime.

Resolved, that we do sincerely and heartily sympathize with the widow of our deceased president.

Women and Jewels

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that great- est of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her life to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Bosche's German Syrup. It will promptly arrest con- sumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at George A. Hard- ing's. Get Green's Special Almanac.

Miss Veda Williams, a pupil of Prof. Dierke, will take a limited number of pupils for piano and organ instruction.

Johnson & Lamb are prepared to re- cover, repair and make to order um- brellas.
