CHURCH GATHERINGS.

Miss Mary Case, who recently returned from Alaska, has been engaged as director of the choir and music in the Methodist Episcopal church.

A harvest home festival was held at Lutheran Zion Evangelical church on the corner of Eighth and Jefferson streets, Tuesday evening. There was an elaborate display of fruits, vegetables and grains, tastily arranged in decorative form. Rev. J. A. Lea, of Portland, gave the harvest home address, and the children gave an excellent program of song and recitations appropriate to the service. Rev. Meyer states that the church will dedicate its new bell at an early date.

Rev. J. H. Beaven, pastor of the Oregon City Baptist church, and retiring president of the State Baptist Association, was elected historical secretary at the meeting held in Portland last week.

The themes at the Congregational church next Sunday will be "The Love that Passeth Knowledge," and "An Appeal to the Reserves."

Christian Science services are held in the Willamette hall every Sunday morning at 11 o'clock. Subject for Sunday, Sunday-school at 12 m.; Wednesday evening meeting at 8 o'clock. To these services all are welcome.

Births.

In Oregon City, October 23rd, to the wife of Jack Wells, a girl.

In Oregon City October 22nd, to the wife of Walter Bruce, twins—a boy and a girl.

An exceptional bargain near Oregon City, 22 miles from Portland, good road, 400-acre grain or stock farm, creek and spring water, rich bottom land, 75 acres in good cultivation. Price only \$12,500 per acre. O. O. T. Williams, room 9, Barclay Building, Oregon City, Oregon.

The Oregon City boats now make three trips daily to Portland and return, and the time card has been changed as follows: Leave Oregon City at foot of eighth street, 7 a. m.; 11 a. m.; 3 p. m. Leave Portland at foot of Taylor street, 9 a. m.; 1 p. m.; 5 p. m. The boats are roomy, and the scenery can be viewed from comfortably seated and lighted cabins, while the purser and officers are clever and attentive.

Give Our Side a Chance.

In our article today taken from the New York Herald, headed "Business Men in Theatricals," we notice that "A Wise Woman" is going to make a few stops before starting a run in San Francisco. Now why can't we have this company stay one night with us? They surely must have a first-class company to contemplate an extended run in the western metropolis. Such a company would be a relief from the No. 2, 3 and sometimes 4 companies that we generally get. Give us a chance.

The excitement incident to traveling and change of food and water often brings on diarrhoea, and for this reason no one should leave home without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by G. A. Harding.

Setting a Prisoner Free.

A man with rheumatism is a prisoner. His fetters are none the less galling because they are invisible. To him Perry Davis' Painkiller comes as a liberator. Rubbed well into the swollen, stiffened joints it not merely drives away the pain it makes the muscles pliable so that the prisoner becomes a free man. There is but one Painkiller, Perry Davis, 25 and 50 cents.

When you wake up with a bad taste in your mouth, go at once to G. A. Harding's drug store and get a free sample of Chamberlain's Stomach and Liver Tablets. One or two doses will make you well. They also cure biliousness, sick headache and constipation.

Get a free sample of Chamberlain's Stomach and Liver Tablets G. A. Harding's drug-store. They are easier to take and more pleasant in effect than pills. Then their use is not followed by constipation as is often the case with pills. Regular size, 25c per box.

A Typical South African Store.

O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about twenty-five miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlain's remedies. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlain's Cough Remedy. This must surely be a record." For sale by G. A. Harding.

Stricken With Paralysis.

Henderson Grinnett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of his liniment. It is most widely known, however as a cure for rheumatism, sprains and bruises. Sold by G. A. Harding.

Business Men in Theatricals.

The New York Herald of May 8th said: "It's strange what strides the stage has made during the past five years, not to speak of a century. Business men have now taken a hand in the pie, and find it a very profitable investment. Lawrence Barrett, during his grand struggle through numberless difficulties, was backed by some of the solid business men of Boston. Viola Allen, who has electrified this country, and at the present time is the talk of the entire east, in 'The Christian,' was furnished the necessary funds by a large printing establishment in New York. And now a leading business man of Chicago has taken hold of the comedy farce, 'A Wise Woman,' and having engaged an extraordinary good company will appear in all the principal cities in a trip across the continent. Prior to their run in San Francisco they will take in some of the minor towns and thus make the journey to the coast with more ease. Theatrical managers, look sharp. The business men will crowd you out."

Women and Jewells.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her life to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Geo. A. Harding's. Get Green's Special Almanac.

Beware of the Subscription Agency Sharks

Every day we hear of a city being worked by some smooth subscription agent taking cut-rate subscription for well-known magazines. Don't give your money to strangers. Don't risk sending it away. Take with you any printed offer you may have and Mr. Huntley will meet it and save you all risk and expense.
