Asthmalene Brings Instant Relief and Permanent Cure In All Cases
SENT ABSOLUTELY FREE ON RECEIPT OF POSTAL

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails. The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene relieved me in perfect condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with painful sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full size bottle."

REV. DR. MORRIS WECHSLER, Rabbi of the Cong. B'nai Israel, New York, Jan. 3, 1901.

DRS. TAFT BROS.' MEDICINE CO. Gentlemen: Your Asthmalene is an excellent remedy for asthma and Hay Fever, and its composition is successful in relieving and curing. After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, chloroform or other very toxic drugs.

REV. DR. MORRIS WECHSLER.

Trial bottle sent absolutely free on receipt of postal. Write at once, addressing DR. TAFT BROS.' MEDICINE CO., 79 East 13th St. New York City.

Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out."

Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

WARNER GRANGE FAIR.

A Remarkable Exhibit Gotten Up Atmost on the Spur of the Moment.

At the meeting of Warner Grange on the fourth Saturday in October, it was resolved to hold a fair on Saturday last. It was therefore impromptu. The display made, though limited in quantity, was highly creditable in quality, and gave one, as nothing else can, an idea of the productiveness of our soil, and the skill of our husbandmen and their wives. The following is a brief summary of it:

Mrs. B. Friedrich—Small bunch ears of Eastern Club, yielding 47 1/2 bushels to the acre; do, wheat, name unknown; sample of white oats, yielding 82 bushel per acre; Ben Davis, Bellflower, Romanite, R. I. Greening, Baldwin, King and Lady apples; huge turnip beets; dried Petite prunes; a cheese; large Andive lettuce, grown in the open; large, black winter radish; sample of gilt-edged butter; ears of White Dent corn, 10 inches long; bunch of Golden Crown celery; 1st premium for the most George Randall—Two bricks of English Cluster hops; 1st premium.

J. S. Dix—Half-long Yellow Danvers carrots; ripe California Wine grapes; quince preserve; blue Permain, Yellow Bellflower, Baldwin, King and Northern Spy apples; Hubbard, Golden Hubbard and Acorn squashes, 1st premium.

Mathias Russell—A bunch of White oats; White Belgian carrots, two feet long; 2nd premium for carrots.

David Peuman—King apples; mangel-wurzel; 1st premium.

William Gashner—Cauliflower; heads of celery; cabbage; Early Rose potatoes; 1st premium.

F. A. Slight—Belgian and Oxheart carrots; sugar beets; three rutabagas weighing together 35 pounds, trimmed up; Roxbury Russet, Yellow Newton, Baldwin and Red Cheek apples; 1st and 2nd premiums.

George Lazzelle—White Dent corn; White Winter and Velvet Chaff wheat; Grey Winter Oats; 1st premium.

William McDermid—Early Rose, Garnett and Barbank potatoes; 1st premium.

R. J. Brown—Eureka potatoes; Baldwin apples; 1st premium for potatoes.

Miss Anna Penman—Beautiful picture frame, designed by her, made out of cigar boxes with a pocketknife, ditto, cross and miniature bedstead.

Mrs. A. E. Dieb—Album of lace samples, many of them of very ornate and artistic design.

Miss Emma Wilhelm—Sample of Battenburg work, a center-piece.

Olive Friedrich—Ornamental cushion; photograph frames of bright silk thread.

Mrs. George Lazzelle—Drawn work pin cushion, crocheted doily; handmade handkerchief.

Mrs. Jack Knott—Corn-husk door mat.

Mrs. McArthur—Bedspring, knit by hand; apple and grape; and apple and quince jellies; raised graham and white flour buns; graham bread.

Mrs. Joseph Reif—Casket made of glass and pink ribbon filled with photographs.

Mrs. Wink—Design in black of automobile with two occupants.

The exhibits of the ladies consisting of only one article in any one line, all of them were awarded the first premium.

The jackknife work of Miss Anna Penman deserves more than a passing notice, both on account of the marked display of artistic taste and the wonderful patience required to fit snugly together in one device thousands of prettily carved pieces of wood. How many knives she has worn out on her work has not been learned.

J. S. Dix made a superb exhibit of White Wyandotte chickens and White Plymouth Rocks of the Hazelwood strain.

David McArthur and William Gardner exhibited Brown Leghorns.

George Kidder and Jack Knott were the judges who inspected the agricultural exhibits and awarded the premiums.

Mrs. Knott, who was assisted by other ladies, judged the ladies' exhibit.

A speech by Dr. Casto and other literary exercises, followed the work of the fair.

This first attempt to hold a fair has been such a success that Warner Grange will next year make elaborate preparations to make a display that will be a credit not alone to this county but to the state. The ladies are as enthusiastic in the determination to carry out the project as the men and there is no doubt of it, but a year from now they will make a showing that will be surprising.

"Last winter an infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian Evangelist, of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by G. A. Harding.

TWO CONVENTIONS.

Independents and Non-Partisans Nominate City Tickets.

Two tickets of candidates for mayor, treasurer and councilmen have been placed in nomination for the election to be held next Monday. At the independent convention held Saturday night 74 votes were polled, and at the Non-Partisan convention held Monday night 42 votes were polled.

THE INDEPENDENT CONVENTION.

The personnel of the ticket is: Mayor, Grant B. Dimick. Treasurer, Fred J. Meyer. Councilman first ward, E. D. Kelly. Councilman second ward, A. W. Cheney, declined. Councilman third ward, C. D. Story.

At the independent convention held at Williamette hall Saturday night, Dr. M. C. Strickland-called the convention to order, and on motion of O. W. Eastham was made permanent chairman. On motion of E. E. Charman Max Bollack was elected secretary. W. H. Young was previously named for secretary, but declined the honor.

A motion carried that the ward conventions meet first and make nominations for councilmen, as the first order of business. The proceedings of the ward conventions were as follows:

First ward—Malcolm McCown nominated E. D. Kelly for councilman, and he was elected by acclamation.

Second ward—A. W. Cheney was nominated for councilman on the second ballot. Cheney received 15 votes and Sam Pfeister 10.

Third ward—C. D. Story was renominated for councilman without opposition.

The convention was again called to order, and nominations were presented for city treasurer Malcolm McCown named Tom F. Cowing, jr., and O. W. Eastham named Fred J. Meyer. E. D. Kelly and C. E. Burns were appointed tellers. Meyer received 45 votes, and Cowing received 29 votes.

For mayor, Councilman S. V. Francis, of the third ward, named Grant B. Dimick, and he was renominated by acclamation.

In his speech of acceptance, Mayor Dimick laid special stress on the allegation that the Portland General Electric Company were diligently laboring through their employees, to defeat his re-election, for the reason that he and Councilman Albright had been largely instrumental in having the price of city lights reduced. This reduction resulted in a saving to the city of about \$500 per annum. He had sought to sue litigation to the city by being cautious in the matter of hasty prosecution of the East Side Railway Company for alleged violations of certain ordinances, and scored the committee on streets and public property for taking the matter out of the hands of the council, and employed other counsel than the city attorney.

Mayor Dimick stated that he had striven to conduct the affairs of the city economically, and had no apologies to make. He had drawn no money from the city during his term of office, except \$12 50, which was used to pay Miss Albright for certain clerical work, that the recorder did not have time to look after. Councilman Albright did not care to have the public know that his daughter was drawing money from the city for services, so Mayor Dimick stated that he drew the money for her.

A motion carried that a campaign committee be chosen, consisting of six members, two from each ward. It was decided to name this committee later.

NON-PARTISAN CONVENTION.

Mayor, J. E. Hedges. Treasurer, John R. Humphrys. Councilman first ward, Jacob Cassell. Councilman second ward, W. M. Sheahan.

The third ward was not represented in the convention.

This convention, also was held in Williamette hall and the date was Monday evening. The gathering was called to order by Councilman Charles Albright. On motion of J. P. Lovett H. C. Stevens was elected permanent chairman. Councilman Zimwalt declined the offer of the secretaryship, and on motion of H. L. Kelly, Bruce C. Curry was elected secretary.

For mayor, E. G. Canfield placed in nomination J. E. Hedges, seconded by Keating and Bradley, and on motion the choice was made unanimous. In accepting the nomination, Mr. Hedges called attention to his past record, having been born and raised in this immediate vicinity. He positively asserted that he was in any way connected with corporations, and would sacrifice his personal interests for the good of the city.

For treasurer John R. Humphrys was placed in nomination by Councilman Sheahan, seconded by Councilman Huntley. The choice was made by acclamation.

A recess was ordered, and during the interim the ward conventions were held separately.

In the first ward J. C. Bradley was elected chairman, and Bruce C. Curry, secretary, and Jacob Cassell and Walter Little were placed in nomination, the former receiving 11 votes and the latter eight.

The second ward organization was affected by the election of H. L. Kelly as chairman, and J. P. Keating as secretary. Councilman Sheahan and S. F. Scripture were placed in nomination, the former receiving 16 votes and the latter seven.

The third ward was not represented. The convention re-assembled and ratified the ward nominations.

On a motion a campaign committee of one from each ward, was appointed as follows: E. G. Canfield, W. B. Zimwalt and T. P. Randall.

SOCIAL EVENTS.

Wedding Anniversary and Other Functions.

The Saturday Club will hold a social reunion at the home of Mrs. T. L. Charman on the evening of December 6th. At this time the members, who are participating in the contest, will make their reports and turn over the amounts collected. It is believed that the winner in the contest will be Miss Elma Albright, as she is reported to have already raised about \$40.

Mr. and Mrs. Lawrence May, of Canemah, celebrated their fifth or wooden wedding anniversary last Friday night. About 50 guests were present, and a delightful evening was passed.

The meeting of the Mothers' Club has been postponed until Friday afternoon of next week, when it will be held at the home of Mrs. George C. Browell.

The Foresters Seventh annual ball last night was the greatest of all successes.

The Seventh street Lull last Saturday night, was a delightful affair. Another social dance will be held at the same place on the coming Saturday night.

WEDDINGS.

Miss Matilda Lee was married to John M. Pitman at the home of E. J. Tusten, corner Fourth and Adams streets Sunday afternoon, Rev. A. J. Montgomery. After the ceremony, an excellent wedding dinner. Mr. Pitman is employed in the paper mills, and the bride is a new arrival here. She holds a first-grade certificate as a school teacher. They will reside in this city.

Miss Annie J. Wright and Guy E. Reynolds were married at the Congregational parsonage on the 19th, Rev. E. S. Bollinger officiating.

Miss Fannie Meador and H. Merchand were married on the 26th, Recorder B. C. Curry officiating.

Other marriage licenses were issued as follows: Anna Stuki and James Lamper on the 25th; Maud Tracy and Edgar Heiple on 26th; Minnie Maud Kolfong and Edward Casseday on the 26th; Ivy Ritenour and Frank Ross on the 27th.

FALLS SAUNTERINGS.

The terms "Ladies" and "Miss" for the oldest unmarried daughter in the family, have practically become obsolete expressions. Only a very few Oregon newspapers now use the out of date mis-appropriate words.

Mrs. W. T. Whitlock, a former well known resident of Oregon City, secured the clue and ferreted out the information that Wade and Dalton were the murderers of young Morrow. It is likely, however, that some cheap detectives will claim the \$500 reward, and she will be left out in the cold.

There is not much fraternity in a body of lodge men, who will permit the organization to pay their private expenses in attending a funeral.

Some of Judge J. C. Fallerton's admirers in this section of the state, are suggesting his name as a desirable candidate for the nomination of governor. Roseburg or Southern Oregon has never had a governor, and is entitled to recognition on the state ticket.

It is really wonderful how some people change their principles annual. If necessary, to get a pull at the municipal fit through holding down some petty office.

You Know What You Are Taking

When you take Grove's Tasteless Chilly Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form. No Cure, No pay. 50c.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be retarded forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Our Friends, the Druggists.

It is a pleasure to testify to the general character of druggists. But because of a few exceptions to the rule, it is necessary to caution the public to be on the guard against imitations of Perry Davis' Painkiller. See that you get the right article, the soothing, helpful Painkiller that was used in your family before you were born. Don't be taken into buying a substitute. There is but one Painkiller, Perry Davis'
