

# FRANK BUSCH, The House Furnisher.

.. THE FIRST CALL ..

IN THE

.. HOLIDAY CAMPAIGN ..

THIS is going to be one of the liveliest Christmas Campaigns in our history. We are going to make a noise, but every shot is going to count, too. The campaign is planned on ideas of economy for our customers and credit for our establishment. We are sure to capture the trade of those who want the best goods at the right price. The first of the holiday goods are here. They represent the best achievements of the manufacturers, and well selected expressly for our customers. They are ready for you now and we urge you to come early and get choice.

Our mechanical toys must be seen to be admired. There is, for instance, a cackling hen walking about on her natural feed, a dancing bear, clown riding on a running pig, automobiles, boats, trains, roaming turtles, etc.

### Flying Machine on Frame

16-inch center pole stand, width of frame about 16 inches. Easily put together. Represents flying machine with umbrella top, figure of operator, fly wheel behind, attached key, fly-wheel revolves and the man works his feet, making airship revolve around center pole with a sweep of 16 inches. Will run for a long time, handsomely painted, attractive both to old and young. Price 75 cents.

### Imported Roulette Wheels

Introduced last year into the United States as a parlor game, and met with instant success. Regulation made, with all the numbers including O and OO; the red and black, and the pocket for marbles, etc. Just the thing for roulette parties. Fascinating and interesting, now played for fun and prizes. Price \$1.50 and \$2.50.

### Leather Covered Cow

and Calf, modeled shape as natural as you see the country, free legs, good head, natural eyes, with voice, which is made by pushing head on one side, collar with bell, mounted on four iron wheel platform, wheels outside 10-inch long. Price \$1.50.

These are a few only of the attractions.

### TOY-CHILDS and MISSES' ROCKERS

A line far superior to any heretofore offered, both in quality and price lowness. Nothing but the best materials are used in their finish.
