IRON BEDS why is it that hospitals everywhere have adopted a metallic bedstead? It is, first, because of its cleanliness and the ease with which it can be moved about owing to its compact pattern and also on account of its cheap price, considering its high qualities We keep an especially complete stock of this class of furniture and will be pleased to show it to you. Price \$3.50 and up.

FURNITURE It takes graceful furniture as well as graceful people to make a reception room look attractive. It is impossible not to appear awkward when you sit on some chairs and settees. If a prize were to be offered for the most awkward possible, some furniture one sees would take the medal. Our furniture is built along natural lines, Hence its gracefullness and comfortableness,
