The Gus Sun American Minstrels. The Grand Rapids Evening Press has the following to say about the Sun Min-strels: "The usual Sunday evening au-dience greeted The Gus Sun Minstrels at their initial performance at the Grand last night. In the quality of its special-ties, scenery and in the voices of its members the show is far above the av-erage and won well merited applause throughout the performance. The first part served to introduce the pretiest stage setting and costumes seen in Grand Rapids for years, fine singing and some exceptionally founy comedians. The olio that followed contained a number of fine features." This company will be seen here at Shively's Wednesday December 18. Thirty white people.

The U.S. Civil Service Commission will hold examinations at several places in each state, during March and April, to secure young men and women for the government rervice. 9,889 persons secured postions last year through these examinations. Probably 10,000 appointments will be made this year. All apments will be made this year. At appointments are for life and for most positions only a common school education is required. Salaties at appointment vary from \$660 to \$1200 a year with liberal promotions afterward. Politics is not considered. It is a noticeable fact that the business of Oregon City has materially in-creased during the past year, and a number of new mercantile establishments have opened up business. All the stores have a good trade, and much of the credit for this desirable condition is believed to be due to the partial improvement of roads leading to Oregon City and the better market facilities.
