The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Exposition The Lewis and Clark Centennial, American Pacific Exposition and Oriental Fair Corporation was organized yesterday afternoon by adoption of by-laws and election of the following 15 directors: H. W. Corbett, H. W. Scott, Adolphe Wolfe, Paul Wausinger, A. H. Devers, Rufus Mallory, John F. O'hea, Leo Fried, Charles E. Ladd, W. D. Fenton, A. L. Mills, G. W. Bates, I. N. Fleischer, W. D. Wheelwright, F. Dresser. The incorporators appointed Tuesday, January 21-2, as the time for the first meeting.

All four members of the Oregon delegation were summoned to the White House today to talk over Oregon patronage, the Philippine question and other Pacific coast matters with President Roosevelt. Senator Mitchell and Representative Tongue and Moody called at 10:30 and Senator Simon at noon. With the three members the President discussed the appointment of George W. Bibeau as receiver of the Oregon City land office. He said the case had been held up on request of Senator Simon, who preferred charges of incompetency, but that the senator's charges had not been sustained. Furthermore, he had learned from outside sources that Bibeau was a suitable man for the position, and he would therefore make his appointment at once. He thought, however, some recognition should be extended to Senator Simon, and asked what places they could suggest.

"Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid-taraxacins and drugs in paste form. The powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is an ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the retail price of "SNUFFLES" the GUARANTEED CATARRH CURE."
