Mr. Buford has accepted the territory east of the Cascades in Oregon and Washington for organizing work for the Order of Lions. He was the prime mover in forming the lodge here a few months ago. He will make his headquarters in Baker City, where a son and his daughter reside.
Hon. B. F. Jones, of Toledo, Lincoln county, a prominent attorney of that place, was in the city Tuesday on business before the land office. Mr. Jones has served time as county clerk, judge, and editor of the Lincoln County Leader. He has great faith in the commercial future of Lincoln county, now since the Siletz reservation has been thrown open. The product of 200,000 acres of timber land in Polk and Lincoln counties, will have to find an outlet for market by way of Yaquina bay.

David McArthur, of New Era, was in Oregon City Saturday. He stated that the Molloy Furniture Company, of Portland, are building a large sawmill, abutting on the river on one side, and a platform reaching out to the railroad switch on the other. The mill will have a capacity of 20,000 or 25,000 feet of lumber daily. The mill will make a specialty of cutting hardwood lumber to be

So far as we know W. W. Irwin is the only person in this neighborhood, who has built a silo for practical purposes. Mr. Irwin filled it late last fall, and has already been feeding silage for some time, and it has given good satisfaction. He thinks that in order to obtain the best results the silo should be filled twice, the first time in June or July, so as to bridge over the dry spell generally setting in about August.—Aurora Borealis.
Fred P. Hurst, of Aurora, was in the city Monday. Mr. Hurst is making preparations to replace the mill recently burned at Aurora with a 3 1/2 story flouring mill, and will also build a warehouse and probably put in a separator. It is also the intention to further utilize his fine water by putting in an electric plant and water works. He proposes to furnish Aurora with a water works system and electric lights, and Barlow and Canby with lights.—Woodburn Independent.
We understand that Fred Hurst has offered strong inducements, if he would build the new mill at Canby. The power station could be here, running a dynamo, and a wire run to Canby where a motor could be installed in the mill. The idea is perfectly practical, and the cost of wire and extra machinery is nearly balanced by being at liberty to select the best possible location, and
