

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Nauseous Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of centralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at George A. Harding's drugstore.

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes O. W. Bellamy, a locomotive fireman, of Burlington, Iowa, "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by G. A. Harding. Price 50 cents.

Beaver Lake.

Again Beaver Lake is represented in columns of the Courier-Herald, but the representative has but little to say. H. Dart had the misfortune to lose a valuable cow in this section one day last week.

C. G. Vorhies lost a valuable silk handkerchief while going home from a dance several weeks ago. Anyone finding said handkerchief and returning it to the owner will receive a liberal reward.

The next time you go to Paquette's, Al, leave the dogs at home.

Boys, bring your lunch baskets and beat girls to Mrs. E. Vorhies' on the night of Feb. 10th, and trip the light fantastic toe. Everybody welcome.

D. M. Groshong says it is useless for game warden to report him for chasing deer with dogs for his dog has a curly tail which catches on limbs and other obstacles and holds him till the deer is safely beyond pursuit.

Coon hunting is a noted industry started by L. J. Nicholson, a noted coon hunter. During the last snow he captured four coons and a wild cat. Beat that!

Bert Wade was visiting relatives at Scotts Mills one day last week.

The next time you go to the dance Bert don't break the chairs.

Bert and Raymond seem to be visiting at Vorhies' quite often. What is the attraction, boys?

Mr. and Mrs. D. M. Groshong, of Wilhoit, were visiting Mrs. E. Vorhies, of Rock Creek, Sunday last.

Francis Hahn is busy clearing land and splitting rails. Look out, girls, for Francis has his eyes open.

We are sorry to learn that Mr. Haun had the misfortune to have his woodpile snowed under one day last week. The truth of the matter was that he had not yet had it covered. Henceforth you must be prepared, Franklin, for snow will sometimes fall in the land of "sunny webfoot."

What has become of News Boy? Is he dead? We hope not, for we will be glad to have some of the productions from his pen.

Mrs. B. Wade has knit and spun 55 pairs of socks. Beat that for home industry.

Mr. Austin, of Canby, was hunting cattle in this section one day last week.

D. M. Groshong and sons are logging for Mr. Rich this winter.

Don't go out hunting any more, George, without your gun and dog.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her life to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at George A. Harding's, Get Green's Special Almanac.

Bright's Disease.

The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases. They commenced the series investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven percent of the test cases were either well or progressing favorably. There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J.
