NEWS OF THE WEEK.

Friday, February 14.

Reclaim A dispatch from Washington states that Representative Tongue will tomorrow introduce a new irrigation measure. It provides for the accumulation of a reclamation fund from sales of public lands. One-half of this fund is to be at the disposal of the secretary of the interior for use in examinations and surveys to ascertain the extent to which to which arid lands may be reclaimed, location of reservoir sites, available amount of water and the gauge flow of rivers. The other half of the fund is to be placed at the disposal of the secretary of agriculture to conduct investigations of irrigation laws and investigate methods by which water may be conserved, distributed and used. The measure also contains a feature adapting it to the legislation, which various states have enacted or may enact relative to the formation of irrigation districts. It provides that where such districts have been organized and bonds voted to provide funds for the purpose of constructing irrigation works, public lands in such districts shall be subject to taxation on like terms as other lands in the irrigation district for the purpose of paying interest and principal on said bonds and maintenance and operative charges. Irrigation projects in such irrigation districts will be subject to the approval of the secretary of the interior, and when pronounced practicable and constructed, public lands within such district shall be subject to a homestead entry of not exceeding 80 acres, final proof to be conditional on entire reclamation in addition to the requirements of the present homestead act. The object of this measure is to extend practical national aid to actual irrigators, rather than the inauguration of a system of government control.

At a special meeting of the city council tonight in Chicago, at which the message of Mayor Harrison on street car transportation was considered, the council voted that hereafter street car franchises ordinances must be ratified by popular vote before they can become a law.

The faculty of the University of Nebraska, engaged Booker T. Washington for commencement-day orator, and some of the members of the class are vigorously protesting.

Teddy Roosevelt, jr., has recovered sufficiently to enable his father to return to Washington.

The annual meeting of the Pacific States Telephone & Telegraph Company was held in Portland yesterday. Expenditures for extensions and improvements were ordered to the cost of \$2,100,000. New devices are being adopted, and it is expected that patrons may talk 2500 miles.

Saturday, February 15. Capital At the meeting of the Stock stockholders of the Lewis Increased, & Clark Exposition, held in Portland last night, the authorized capital stock was increased from \$300,000 to \$500,000. A full code of by-laws patterned after those of the St. Louis fair was adopted. The number of directors was fixed at 25. The present 15 are not disturbed, but the additional 10 cannot be chosen except at a meeting of the stockholders, called for that purpose. The intention is to select those 10 from the additional subscribers of stock, and that cannot be done until the additional subscriptions shall have been made.

A dispatch from Constantinople states that the ransom of Miss Stone has been paid. Also that of her companion, Mme. Teika. The limit of time allowed for the release of captives has not yet expired, but their delivery to the American agents is expected hourly.

The German Boer relief committee at Berlin has voted an immediate grant of 300,000 marks, half in cash and half in material comforts, for the use of the Boers in the concentration camps of South Africa.

The federated trades council of Portland vigorously protests against the action of the chamber of commerce in recommending that Chinese merchants and clerks be admitted.

The county commissioners of Multnomah county will let the printing of the ballots to the lowest bidder.

Sunday, February 16. Cubans The conference at the White And House yesterday in Washington seems to have been called for the purpose of discussing Cuban affairs and the Schley case with the party leaders in congress. From the best available information it is believed the President is anxious to secure Cuban tariff legislation of a character that will do the most good for the American industries, a decided change since his first message. There is some suggestion that a special message may be sent to congress during early legislation for Cuba on these lines. A member of the cabinet is authority for the statement that the President intends to decide the appeal firmly, but fairly, and in a manner best suited to win general approval. This is taken to mean that, while he will approve the finding of the court, he will take occasion to commend the great achievements of Schley during the Spanish war and give him all the credit to which his acts entitle him. It is not probable, however, he will go so far as to approve the Dewey opinion.

Prominent democratic leaders honored the memory of Samuel J. Tilden at a Brooklyn dinner.

Prince Henry and staff, of Prussia, sailed from Bremen for the United States.

England and Germany are willing to drop the Spanish war controversy.

The Pendleton Commercial Club will make an effort to have the assessed valuation of Umatilla county increased \$4,000,000 over that of the year just closed, and about three-fourths of this amount it proposes shall be charged to railroad and telephone companies. The club believes that \$10,000,000 is a fair estimate for the assessed valuation of Umatilla county. It has already secured the approval of Assessor George Buzan to its proposition, and on Monday will confer with both the county judge and the assessor in the matter.

The members of the Boer delegation have left the Hague, but have not announced their destination. It is rumored that they have started for the United States.

Mr. Gerber has been out to Colton for some time remodeling the house on his farm there before moving his family out.

Annie Mautz came home from Portland Sunday, where she has been with her sister for some time past.

Sophia Waltemathe is at home with her parents on a visit.

Several of the schoolmates of the Gerber brothers called and spent a very pleasant afternoon last Saturday, it being a farewell party given for the children before they leave for their new home at Colton. Those present were Bert and Aggie Wourms, Marie and Fairfax Myers, Letha and Otis Jackson, Mary and Birdie Dickerson, Willie and Harry Nichols, Bert and Carl Dixon, Della Burkhardt, Joe, Tommy, Alban, Eugene and Rosina Gerber. Refreshments were served.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs.

This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

A WORTHY SUCCESSOR. "Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid cases inhalers and drugs in paste form. The powders dry up the mucous membrane causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also generally quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the GUARANTEED CATARRH CURE."
