### Women and Jewells.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her life to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at George A. Harding's. Get Green's Special Almanac.

### Tourists' Excursions to the East.

The travelling public will be interested to learn of the system of personally conducted excursion cars operated over the Rio Grande system, popularly known as "The Scenic Line of the World." They are the regular Pullman tourist or "ordinary" sleepers, provided with comfortable berths, bedding and linen of the Pullman standard. They have separate lavatories, are all well lighted and heated and, in fact, are a most successful substitute for the more expensive "standard" sleepers, the difference arising from the character of upholstery furnished. A colored porter is in attendance with every car and besides him an excursion conductor, whose sole duty is to look after the pleasure and comfort of passengers in his charge.

These cars are run through to Kansas City, Omaha, St. Louis and Chicago, making close connections for Boston, New York and all eastern points.

This feature of travel has become so popular that there is now established a regular service of nine cars each week, offering a variety of routes, and schedules so arranged that stop-overs may be made, if desired, at Salt Lake City, Denver or any point between.

No extra charge is made beyond regular tourist rates.

To those interested will be glad to quote the lowest fares and furnish full information about the scenic beauties of the Rio Grande Route and its superior accommodations.
