Tourists Excursions' to the East.

The travelling public will be interested to learn of the system of personally conducted excursion cars operated over the Rio Grande system, popularly known as "The Scenic Line of the World." They are the regular Pullman tourist or "ordiare the regular Pullman tourist or "ordi-nary" sleepers, provided with comfort-able berths, bedding and linen of the Pullman standard. They have separate lavatories, are all well lighted and heated and, in fact, are a most success-fu, substitute for the more expensive "standard" sleepers, the difference arising from the character of upholster-ing furnished. A colored porter is in ating furnished. A colored porter is in at-tendance with every car and besides him an excursion conductor, whose sole duty is to look after the pleasure and comfort of passengers in his charge

These cars are run through to Kansas City, Omaha, St. Louis and Chicago, making close connections for Boston, New York and all castern points.

This feature of travel has become so popular that there is now established a regular service of nine cars each week, offering a variety of routes, and sche-dules so arranged that stop-overs may be made, if desired, at Salt Lake City, Denver or any point between.

No extracharge is made beyond regular tourist rates.

To those interested will be glad to quote the lowest fares and furnish full information about the scenic beauties of the Rio Grande Route and its superi r accommodations
