SOCIAL EVENTS.

Several Interesting Functions During the Week.

MRS. REED'S RECITAL FRIDAY NIGHT. The Dertich Musical Club deserve special commendation, including the president, Mrs. Gordon E. Hayes, and every member for the high class recital given at the Woodmen hall Friday night.

The crowded house was an indication that the best people of the city appreciate a really artistically entertainment. Mrs. Walter Reed was in excellent voice, and responded to audience after encore as her melodious contralto voice interpreted popular and lively airs with technical precision.

The two selections, "Shouggle Shou, Ma Bairnie," and "Mighty Lak a Rose," received the most enthusiastic applause. Mrs. E. E. Williams was the accompanist. Miss Veda Williams made a decided hit in her piano selection, it being a difficult rendition of: a. Polonaise, Op. No. 1—b. Valse Chromatique—Chopin and Godard.

Miss Mattie Draper and Mrs. L. L. Porter, also were heartily applauded in their piano duet, Jubel overture. The hall was prettily decorated with wild grape, ferns and potted plants. The ushers were Misses Gertrude Fairclough and Essie Block.

ST. PATRICK'S DAY ENTERTAINMENT. The Altar Society of St. John's Catholic church, gave an excellent entertainment and box social at the Redmen's hall Monday evening. The decorations were in accord with the historical day, and the hall was filled with a merry throng.

Father Hillebrand was master of ceremonies, and E. J. McKittrick was the successful auctioneer of lunch baskets. Every number on the program was greeted with the warmest applause. First was a Hungarian march—Kulaski, a piano duet, by the Misses Draper; a recitation, "Erin go Bragh," by Miss Harriet Chambers; a vocal solo, "The Holy City," by Rev. A. Hillebrand; a vocal duet, "Oh When We Two Were Mating," Mrs. Ed Sheahan and Miss Mattie Draper; recitation, "The Slave that Saved St. Michaels," Miss Doty; vocal solo, "Killarney," Mrs. Ed Sheahan; recitation, "Patrick Henry," E. J. McKittrick; piano duet, "March Militaire," Misses Draper.

Numerous elegant, decorated lunch baskets were sold, some of them bringing fancy prices. One young man bought five of the boxes of dainty lunch, and had the pleasure of dining with a like number of young women.

JUDGE CAPLES LECTURE. The lecture at Willamette hall Tuesday night by Hon. John F. Caples, of Portland, was greeted with a large and highly appreciative audience. The lecture was under the auspices of the Clackamas County Humane Society, and treated of Mr. Caples' observations, during his four years official residence in Valparaiso, Chile. The audience was delighted and entertained. He told of the thousand miles of the rich alluvial soil in the United States of Colombia, where bananas and weeds grew in rank profusion, uncultivated—an area that would supply the world with food products, if properly cultivated.

Similar soil conditions existed in some of the other countries of South America. The governments of South American countries are republics only in name. There is no guaranteed security to commerce and trade, and it is difficult to tell whether the insurrectionists or other people that hold the reins of government. The Spanish residents of Valparaiso were noted for their inbred politeness. Castes prevail among all classes of people, persons of like occupations forming exclusive individual social sets. Many of the substantial business men of that country are anxious for the United States to secure control of the government so that conditions would be more stable. There is opportunity for a great trade between the United States and South America. The scarcity of timber in these countries will make a great demand for Pacific coast lumber, and Oregon timber may yet reach a fabulous high price. The speaker's account of the social conditions, also were entertaining. He predicted that these South American republics will be under the dominion of the stars and stripes in the distant future.

Rev. A. J. Montgomery was master of ceremonies, and Senator Brownell introduced the speaker. The Brownell campaign quartet, R. O. Woodward, Ed Fields, E. E. Taylor and W. G. Gilstrap, sang several selections, and were heartily applauded. C. A. Miller sang a well received solo. Miss Annette McCarver, president of the society, expresses her appreciation of those who contributed to the entertainment, and patronized the lecture, giving the free drinking fountain move substantial encouragement.

NUMBERS THREE'S BANQUET. Hose Company No. 3, gave a banquet in their hall Tuesday night. Fully 50 members of the fire department were present, including the mayor, chief engineer and several past chiefs were present. Several after dinner speeches were made at the conclusion of the banquet. Exempt certificates were presented to George Reddaway, L. Wickham, C. M. Mason, C. E. Cross and John Green.

Miss Jessie Shirley and her clever company opened an engagement of one week at Shively's Monday evening, and the crowded houses which have greeted them nightly, is the best evidence of the manner in which they are winning their way into the hearts of the people of Oregon City. This Friday evening, the old familiar play, "The Two Orphans," will be presented, and tomorrow afternoon the company will be seen in "Wyoming Mail," a sensational comedy-drama, and the engagement will close tomorrow (Saturday) evening with a production of a howling farce-comedy, "The Sultan's Daughter."
