License Teamsters.

The next legislature should pass a law licensing non-resident teamsters. In the San Joaquin neighborhood and lumber handle's have already worn out the plank roads built four years ago. These people, as a rule, do not live there but are merely transient teamsters who go from place to place as jobs are secured. They should be made to pay a license or tax or the sawmills be compelled to furnish new plank without cost to relay those worn out. At Pleasant Home it is not an uncommon sight to see 40 or 50 wagon loads of ties or lumber weighing from five to six tons each. Such loads cut right through the plank as if they were matches, especially if a rut or knot appears under the wheel. In the district north of Sandy the sawmills furnished lumber to the county for \$2 per thousand and afterwards gave the \$2 back to pay for putting down. In the Sandy district the sawmills charged \$3 or \$4 and kept it.

What is true in the north part of the county is also true around Oregon City where the woodhaulers cut up the roads in a similar manner. Where a man owns a farm that he is clearing up and uses the roads, no objection is made, but non-taxpaying teamsters should pay a tax of some kind for the privilege of using our expensively built roads.

WHY RENT PIANOS?

Eilers Will Furnish a Good Piano Free of Charge for Two Years. A Good Proposition.

In addition to our regular lines of pianos, the peerless Chickering, the famous Kimball, the artistic Weber, the Vose & Sons, Hobart M. Cable, Decker & Son, and a dozen other well known standard makes, all of which are fully represented in our enormous stock, we have just now several very fine square pianos that must be gotten out of the way at once. Five or six carloads of pianos, that were personally selected by Mr. Hy. Eilers, president of our company, on his recent trip East, will be coming in next week, and we need the room. In order to get them out of the way at once you can obtain some excellent bargains.

A very fine Weber square will go to the first comer for \$115. A very fine Marshall & Smith, good as new, will go for an even hundred. Two Emersons, a Steinway and a Steck will go for less than \$80, a Bradbury for \$55, and a Bailey square will go for \$30.

For five or ten dollars down and \$3 or \$4 per month you can secure either of the above. Give the youngsters a chance to learn. At any time within two years we will take these pianos at sale price towards payment of any new upright piano, thus virtually giving you the use of a Square piano for two years free. Call early and take your choice.

EILERS PIANO HOUSE, 351 Washington St., Portland, Ore.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Mulino.

Ory Holiday! Holiday! Let us be gay, And share in the rapture of heaven and earth; For see what a sunshiny joy they display, To welcome the Spring on the day of her birth.

A number of farmers are plowing around Mulino.

Mr. Finley is visiting his grandmother, who has been very ill for a long time. She does not improve as was hoped.

Mr. and Mrs. F. Erickson and daughter Mae, were visiting at the home of H. Perry last Sunday.

Mrs. Boynton and Mrs. Trullinger were visiting Mrs. Daniels last week.

Willows Pratt was a visitor in our burg last week.

Mrs. Hibson who has been visiting her mother has returned to her home at Salem.

Mr. Murphy and family and Mr. Erickson and family were the guests of P. Pendleton last Sunday.

Mr. Davis and family and John Erickson and Chas. Daniels were visiting at the home of Mr. Wallace Sunday.

H. Perry has sold his farm. Good luck go with you.

A party was given at the home of F. Erickson last Saturday eve in honor of Johnny's 12th birthday. Those present were Misses Mae, Pearl and Elva Erickson, Gusta and Bets Bowman, Maude and Maggie Manning, Katie Daniels, Mammie Libby, Ella and Vivian Sagar, Belle and Goldie Murphy, Katie Force, Mae Davis, Eva and Agnes Wallace; Messrs. Ernest and Archie Davis, Albert and Elmer Erickson, Ross Eaton, Joe and Chas. Daniels, Bayne Howard, Frank Manning, Chas. Bowman, Fred Force, Mr. and Mrs. Bowman, Mr. and Mrs. Murphy, Mr. Pendleton, Mr. Seltzer, and Mr. and Mrs. Wallace. Games were enjoyed and we were then favored with a song in German by Mr. Seltzer and one in Swede by Mrs. Erickson. A nice supper was served and all departed for home at 2 o'clock, wishing Johnny's birthday came twice a year.

Well, Lengthy, it seems to be rather a mystery that they go to the fruit trees and never disturb the fence but that's alright, we can easily find the General.

Beaver Creek.

We have had quite a spell of weather, as those who are not through plowing seem to realize.

There were quite a number at spelling school last Tuesday evening. It was the last spelling match for the term. Prizes were given. Marie Hermann and Amos Kirk won the prizes.

Miss Holden's school will close next Friday. We are sorry to lose her from our midst but we hope to see her back here again in the fall.

Henry Staben has a "game" hand but that was not what the girls were laughing at Monday evening.

There was a card party given at the home of Mrs. H. W. Mathis, Monday evening in honor of Miss Blanche Holden. Those present were Misses Dora Henriel, Blanche Holden, Marie Hermann, Lizzie Weidner, Bella Davis, Sadie Ogden, Madolin Mathis, Will Shannon, Henry Shannon, P. and W. P. O'Connor, Archie McCord, Amos Kirk, J. G. O'Connor, Henry Staben, Frank Davis, Elmer Ogden and Willie Hermann.

Now for the basket social Friday night. Don't be afraid to bid on the baskets, boys. They are all right.

Mrs. Smith is visiting her parents, Mr. and Mrs. P. Bohlender.

Miss Arta Kirk is on the sick list but we hope to hear of a speedy recovery.

George Davis shot a pine squirrel on a bear, we have forgotten that. He was not out to the card party.

If any one is in need of rubbish to fasten up their gate ways they should call on Mrs. Mathis. She will be pleased to give them a wagon load.

LADY.

Clarkes.

As no one seems to notice our little town I will write a few lines.

Miss Alice Ritter has just closed a very successful term of school and has gone to Neely to begin her second term.

H. Rogers has gone to Portland where he will work in a sawmill.

Miss Emma Bock of Portland is visiting her folks for a few weeks.

C. Ritter was a pleasant caller in our burg yesterday.

R. Bullard is on the sick list.

That's right, boys, practice up for the Hungry Hollow boys are coming up again.

Cheer up Frank. Some day our school ma'am will come back again. SPORT.

Highland.

The republican primary was held Saturday at Highland hall and named precinct officers and delegates to the convention. It was a tame affair and but one or two had anything to offer as to the conduct of the county affairs.

On Monday eve a most enjoyable party was given at the residence of the Rev. R. K. Punlap in honor of his 79th birthday. He is hale and hearty, as most men of fifty. About thirty of the most representative people of Highland were in attendance.

Professor Artie Dunlap is very much in evidence with his singing class and such interest in vocal music has never before been made manifest and Highland is being swayed from stem to stern by the concord of sweet sounds.

There seems to be a boom in building here and the demand for lumber is so great that the mill cannot supply it.

So far there has been no immigrants out to look at this part of the county. Bad roads are no doubt the cause, otherwise we might have added to our precinct many desirable families, as there is plenty room.

Religious matters promise to be lively here this season as the Methodists and Baptists are vying with each other in changing the burning brands from the fire but as there is but one church building and both parties wished to occupy it on the same date, the clouds of trouble began to hover over the otherwise serene community, and for awhile it looked as though a few Christian mar-

tyrs might be in order, but the Methodists withdrew for another date.

And now a literary and debating society is talked of and those who had their light under a bushel will have a chance to shine and Highland will produce orators who will make Hale and Sternberg look to their laurels when gold medals are in sight.

Now to cap the climax comes the Highland Lyceum with a stanza on a love-lorn "Don Quixote" whose Dulcinea has been captured by a bolder knight: No, the Don does not travel the Hogback now

It's a tale that is sad but true, And the tears that he shed, to try to get wed

Would wet a moss back through, How his feet got the start of his one-horse cart

When he told her that loving vow, But suffice it to say, other "Fellows" are gay

Up and down that Hogback now.

Miller and Eastham at Molalla.

As the regular correspondent has not sent you an account of the independent political meeting at this place on March 15th, I will send you a few items, trusting that even at this late hour they may be of interest to those who are honestly striving for better government.

Mr. O. Eastham was the first speaker. He is a young man of much ability, a good speaker, and one who has shown the courage of his convictions by daring to step out and oppose his own party when it has become the mere instrument to register the will of the county boss. His remarks were direct to the point, and were well received by the large audience. He did not beat about the bush, but charged the responsibility for the bad showing made by Clackamas county where it belongs, to the machine system of politics that traffics in offices for the benefit of the party boss.

Colonel Miller then followed in his usual forcible and eloquent style and handled the county boss and spoilsman without gloves. The applause of the audience indicated that his remarks were appreciated. The many telling points made by both speakers are too numerous to mention, but will doubtless be brought before the voters in every precinct in the county before the close of the campaign. A sensational message sent over the telephone by the would-be third term senator was promptly checkmated and let him down, yet lower if possible in the estimation of the audience.

Molalla will be found loyal to the citizens movement; the only hope for better things that can possibly be realized at the coming election. Right here let me urge and impress upon everyone who feels kindly towards his movement and competent officials, selected by the people instead of one man who makes it his business to traffic in offices, the necessity of attending the citizens primaries on Saturday, April 5th. Come out. Do not forget. This is your fight; do not leave it for a few to make. The way to own bossism is to begin at the primaries, and begin now. Come out.

(Geo. Ogle.)

Molalla, March 25, 1902.

Twilight Club.

Saturday evening the Twilight Club gave a dance in Twilight hall. A dainty lunch was served. Those present were Mr. and David Martin, Mr. and Mrs. George Lazelle, Mr. and Mrs. C. G. Gibson, Mr. and Mrs. Harrington, Mrs. McCord; Misses Lorena Lazelle, Ethel McCord, Emma Wilehart, Blanche McCord, Messrs. Fred Meindl, Marshall Lazelle, Wallace McCord, Eddie Joehneke, Lawrence Mantz, Eugene Ogle, Tom Kelland.

A Printer Greatly Surprised.

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville, (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so I bought a bottle of it and before using two-thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since." Sold by G. A. Harding.
