THE POISE

Of a woman in perfect health attracts the eye at once. Such a woman is all too rarely seen. The most of women bear scars of suffering on their faces which no smiles can hide, and often in their very carriage betray the womanly weakness which oppresses them. There can be no perfect health for the woman who suffers from disease of the delicate womanly organism. Her general health is so intimately related to the local health of the womanly organs that these must be cured before the general health can be established. Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It cures womanly disorders and diseases; brightens the dull eye, rounds out the hollow cheek and gives strength for wifely duties and maternal cares. My health is the best now that it has been for four years," writes Mrs. Phoebe Morris, of Iron Cayuga Co., N. Y., Box 52. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery.' These medicines have done me more good than all that I have ever taken before. I couldn't do my work only about half the time, and now I can work all the time for a family of four. Before I took your medicines I was sick in bed nearly half the time. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery'—the most wonderful medicines in the world." Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

CORRESPONDENCE

(Continued from page 2.)

South Carus. B. Schuebel called on A. L. Jones last Friday on business.

Mrs. Ed Paine was the guest of Mrs. Al Jones one day last week.

Mrs. Burley, of Portland, who has been visiting at the home of W. H. Jones for the past week, returned to her home Monday.

Jim Fish and Ernest Jones left for Eastern Oregon week ago Tuesday. They will be missed by their many friends. May success go with them.

W. H. Jones, who has been sick the past week, has not improved much. A number of friends of Mr. and Mrs. A. L. Jones surprised them at their home last Saturday night, the occasion being the ninth anniversary of their marriage. At 10 o'clock the guests repaired to the dining room, where a dainty lunch was served. The merry crowd did not disperse until the early hours of the next day. The presents were very choice and tasty. We wish Mr. and Mrs. Jones many more such happy anniversaries.

Our commission merchant, A. L. Jones, doing business for the firm of McKinley Mitchell & Co., made a business trip to Oregon City Monday.

J. Moshberger moved into his new house last week.

C. Smith was in Oregon City one day last week. He thought the day rather cold.

George Helvey visited friends at Union hall last Saturday evening. He also takes a trip to New Era occasionally.

Frank Schoenborn spent last Monday evening at his home.

Mrs. Goucher and Mrs. Jones visited friends in Mulino last Tuesday.

John Conner, of Oregon City, visited Miss Jones, a few days ago.

G. Nash and family, of Oregon City, passed through our neighborhood last Sunday.

B. Bullard and B. J. Helvey are building fences on their places.

Mrs. Filger has returned from Portland for an indefinite period.

G. Kirbyson and wife were the guests of B. Foss and family last Sunday.

H. Perry has sold his farm and will move to California soon.

The road south of the Eldorado school house to Canby was surveyed last Monday.

Miss Lillian Gans took dinner with Miss Helvey last Sunday.

Albert and James Newkirschner are working for R. Schuebel helping him clean up his hop yard.

S. Paine called at the home of A. L. Jones Friday.

We have been informed that Miss Agnes Wallace, of Mulino, is going to the Klondike country in the spring.

Invitations are out for the farewell party to be given at the "Teasel Farm" this Friday evening.

William Weismandel was the guest of George Helvey last Sunday.

Eldorado.

On Saturday at the caucus of Milk Creek precinct there was a big turnout at the primary to elect delegates to attend the county convention. Everybody, or several wanted to go, but they came to the conclusion there were only two to go so there were four placed in nomination, who were as follows: Robert Schuebel, C. T. Howard, Bob Snodgrass and John Evans. The ballot was Schuebel, 29; Howard, 24; Snodgrass, 10; Evans, 9; Howard and Schuebel were elected delegates, and they are both good workers, and if they can get things as they want them there will be less taxes for us to pay in the future. There will not be so many deputies in our courthouse from \$2 to \$4 per day for the people to tramp through a mud to pay taxes, and it looks as though they have added some rent with them. The pope have died, and their spirits have all passed to G. C. Brownell as the choice of the people.

Sinton Paine is on the sick list. Miss Gans got up a surprise party at the home of Mrs. Al Jones in honor of the ninth wedding anniversary Saturday night. The time was spent in singing and conversation. The guests partook of an oyster supper. All ate so heartily and chatted so much that it was thought that Dr. Goucher would have to be summoned, but have not seen him to find out. At a late hour

Mackburg.

A house is built of bricks and stones Of silks and posts and piers. But a home is built of loving deeds That stand a thousand years.

A house, though but a humble cot, Within its walls may hold; A home of priceless beauty, rich In love's eternal gold.

The men of earth built houses, Halls and chambers, roofs and domes But the women of the earth, God knows The women built the homes,

Eye could not stay from Paradise For, oh, no matter where, Her gracious presence lit the way, Lo! Paradise is there.

A CITIZEN.

Sunnyside.

Mr. Welch and Jim White had quite an accident while thawing out powder for blasting. They put 21 pounds in a stump where there had been a fire and the ashes were still warm enough to put the powder off. They were sitting near the stump and both were pretty well shaken up by the explosion. Welch was about twenty feet away, star-gazing, when he realized anything. White was burned some about the face and the ear drum was injured. It was a close shave for both and they went try it again.

Olive and John Becker of Portland were visiting here Sunday.

Mrs. Chambliss went to the hospital on the 14th and underwent an operation which was successfully performed on the 15th. Owing to her nervous condition, her recovery has been slow.

Our school will close on the 11th of April with appropriate exercises.

The gentlemen who bought Mr. Becker's place here is expecting his family from the East soon.

Frank Ott has been hauling lumber for a new building which will be erected soon on his farm.

Grandpa Ringstad has been sick for the last week. He is now 80 years old and has been around doing lots of work until the last week. We hope to see him out soon.

Say, Johnnie, when you take your best girl out for a ride, get a trusty horse next time and look out for the stump, and not for the soft mud holes to land in.

'Too late for last week's issue— Farmers have been hindered with their crop sowing by bad weather.

F. Davidson and Jas. Morts are cutting logs for the Russell Bros.' mill on the north fork of the Mollalla.

E. P. Carter was in our county doing a good deal of talking on financial business.

Jehny Morris was here also.

In some countries wine is pressed out of grapes by means of a great screw which when tightened, the wine flows in great streams until it is all out of the grapes. So our county officials have given their county a screw a few extra twists and the money is being pressed out of the people. How long the people will stand it will only be known by coming time. What is the use to grumble. Can they think they will reform the officials? When we have had boys we do not wait for them to reform but we send them to a reform school. So it is time the people were sending their officials to where they will receive reformation.

Bright's Disease.

The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the series investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably.

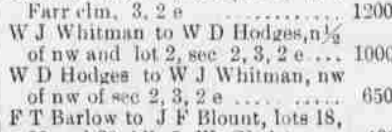

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J. I have been taking Ripans Tablets for the dyspepsia, and they have helped me wonderfully. I do not know any particular way they affect me, but they seem to give vigor to the entire system. I think they are good for a general build-up of the system, as they seem to act like a tonic.
