MITCHELL WAGONS Best possible to build No wagon is or can be better than a Mitchell, because the cream of wood stock is used, only after being thoroughly seasoned. The wagon is well fitted, well painted, well proportioned, and runs the lightest of any. It is nearly 70 years since the first Mitchell wagon was built, and they have been built continuously ever since by the Mitchells. When you buy a Mitchell you get the benefit of this 70 years' experience.

Bright's Disease. The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases. They commenced the series investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 30, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address John J. A VALUABLE MEDICINE.

For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Charles M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the city dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are as well pleased as myself over the results." For sale by G. A. Harding.

Dreadful Attack of Whooping Cough.

Mrs. Ellen Harrison, of 300 Park Ave., Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough, one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse Substitutes. Chamberlain & Co.

The Ill Wind

that blows nobody good is bent on errands of mischief in the fall and winter. It produces that most dangerous of common complaints a bad cold. Your cold will not become bronchitis, nor consumption if you make timely use of Allen's Lung Balm. Take it frequently until the cough and the stopped up feeling in the chest are gone. Contains no opium and will not disturb digestion.

Good for Rheumatism

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy I was much better, and after using one bottle, was completely cured.—Sallie Harris, Salem, N. J. For sale by G. A. Harding.

He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1 1/2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. George A. Harding will guarantee satisfaction or refund money. Only 50c.

RIPANS

I had nervous indigestion and a general derangement of the entire system. It had been a continual torture for 12 years. My blood became very poor and at times my toe and finger nails would be diseased. After eating I would sit in a chair and put my feet on something to keep them from swelling, and at times would take off my shoes for the misery I had. Whenever I experience anything to remind me of past aches I cannot be too elated to tell what Ripans Tablets have done for me. I still take one now and then, because I know how bad I have been. They were just what I needed.

At drug stores. The Five-Cent packet is enough for an ordinary occasion. The family bottle, 50 cents, contains a supply for a year.
