Garfi-Id.

The past few days of good weather has urday last. enaoted some of the Garfield farmers to complete spring seedlorg. Rev. Gluzier, of Mount Tabor, moved

into the Milner settlement last Saturlay. We should think they would be welcomed very much by the people of hat naughborned, as they take in two children of school age. They had only four children of school age pefore and this will enable them to hold their districi.

The people of Garfield will welcome all good citizens who may come here to seek homes. There is plent y of good land, which can be procured here at reasonable figures, within from one to four miles of the proposed electric plant. we think if the railroad, as proposed,

comes that Garfield will no longer take a back seat, bur will be among the foremost localities in the county .
