**That \$5000 Pension.**

Washington, 13.—The bill pensioning Mrs. Ida S. McKinley, widow of the late president, at \$5000 a year, led to some discussion in the house today.

Mr. Bell, of California, asked what justification there was for such a large amount.

Mr. Grosvenor answered that this followed a well established precedent from the time of Washington.

Mr. Bell said he would not object, but he considered the precedent absolutely wrong and indefensible. The widow in this case, he said, had an independent income, the husband's estate inventorying at \$210,000.

Mr. Grosvenor answered with considerable feeling. He paid tribute to the beauty of character.

Fellow Socialist, every time the question of pensioning generals and presidents' widows at such high rates comes up it sets my socialist blood on fire. Think of it, old comrades, \$5000 a year for a woman that is already rich. You, that love your own wives and families, will object. Those that love rich men's wives and families better than their own will, like Grosvenor, of Ohio, uphold it. Five thousand dollars for one year is more than a thousand of old soldiers' wives have in cash in a whole lifetime. Women who are in every respect as good and worthy as Mrs. McKinley, and the old soldier, the old farmer, the workman of any class or kind, who hasn't love enough for his own wife and family to rise up and kick is not worthy of a good wife and loveable children, and when I fail to protest against such rank injustice I hope every child of mine and my wife, also, will disown me.

Not one republican congressman in fifty ever protests against such unjust legislation, not because the man is corrupt, but because it is and always has been the policy of the republican party. If you vote for Fred Meindl you will be voting for a bright, brilliant young man that loves his fellow men better than the yellow metal called "money" or any party.

True socialists will not let petty considerations stand in the way, but they will vote to wipe out the cause of rings and clicks that have prevailed in Clackamas county, in the state of Oregon and in the whole United States, in democratic as well as in republican states. Remove the incentive to do wrong, and the work will be done and done right.

R. R. PRATTON, Barlow, Or., April 17.

Family cares and duties do not weigh down the well woman, and the children are never in her way. But when the womanly health fails, and there is a constant struggle with weakness and pain, household duties are a burden almost past bearing, and children are a ceaseless annoyance and worry.

Weak women are made strong and sick women are made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries disagreeable drains, heals inflammation and ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I had been ailing some time, troubled with female weakness," writes Mrs. Wm. H. Johnson, of Avondale, Chester Co., Pa. "Every month I would have to lie on my back. I tried many different medicines and nothing gave me relief until I began Dr. Pierce's medicines, using two bottles of 'Favorite Prescription' and two of 'Golden Medical Discovery.' These medicines have cured me. When I began your treatment I was not able to do very much, but now I do the work for my family of nine, and feel better to-day than I have for a year. I thank you, doctor, from the bottom of my heart, for well do I know that you are the one who cured me."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

Dr. Pierce's Pleasant Pellets are the best laxative for family use.

**His Side.**

Macksburg, Or., Apr. 28, 1902.

Editor Courier-Herald: Will you kindly allow me space to state a few facts in regard to the citizens meeting held in Malina on last Thursday night I wish to tell my friend, O. W. Eastham, that when Robert Shuebel asked him the question on what lines he proposed to reform this county, he should have offered some remedy instead of attacking his personal character. I have known Mr. Shuebel from childhood, and a truer and more thoroughly honest man never lived. From early boyhood until far into the early years of manhood he gave all his hard-earned earning to his parents. As a married man he has succeeded in securing for himself a pleasant home, and I believe owes no man a dollar. He is a hard working man, and is always ready to help a needy person. It certainly seems to me that a man, who is trying to secure the suffrage of the people, displays poor judgment and a lack of gentlemanly action, when he undertakes to destroy the character of a man that desires information. To say the least, an individual who betrays the private confidence of his fellowman in
