

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."

Geo. Yellott, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling off the hair, too.

CORRESPONDENCE

Russellville.

Russellville has had plenty of rain, which was much needed.

Mrs J Shandy, who lived about five miles southeast of this place was out hunting her horse a few days ago, and when about 1 1/2 miles from her home she dropped dead. She was accompanied by a little girl. She was out for about two days before the remains could receive proper attention. The remains were placed on horseback and carried down the mountain side, which was very steep, and a very heavy load for the horse, as the deceased weighed over 200 pounds. Mrs Shandy was about 55 years of age, and formerly of North Dakota. It is thought she died of heart failure. Her husband's whereabouts are unknown.

Mrs R Leslie died at her home on July 2nd, of a stroke of paralysis, of which she has been afflicted with for several years. The deceased was about 45 years of age, and leaves a husband and two married sons to mourn her loss. They have the sympathy of the entire community.

Mrs S Carter is taking care of the little girl who lived with Mrs Shandy.

J Marts called on Mr and Mrs Wingfield and gave them about 100 cabbage plants, which was a good treat for them.

P M Boyles is going to move to Molalla soon, where he will blacksmith.

BACKGROUNDS.

Needy.

"Lovely" weather for July. Most of Needy people celebrated at Hubbard, all having a good time.

Mrs Gib Verdine has moved home from Hubbard. Mrs Bob Leslie was buried at Rock Creek cemetery Friday July 4.

Miss Peri Garrett is attending the summer Normal at Salem. Solan locks loose.

The sudden death of Mrs Anna Will (nee Koshov) was received here Monday. She had many friends here at Needy, and her family, husband and lady have the sympathy of the entire community in their sad bereavement.

Miss Leona Moore is staying in Oregon City, where she has secured a position with Mrs W H Sampson.

Dick Garrett and wife, C O Molson, wife and daughter, May, were visiting in Hubbard Sunday.

Molalla.

Work has commenced on the Molalla Orange building lot in the way of fencing the lot. In a short time a fence of iron will enclose the building.

Henry Russell came down from the Ogle Creek mines recently. He brought out some nuggets of gold that was taken out of his mine. There will be no more work done there until a settlement is effected with the S. P. R. R. who claim the land in that vicinity as an old land, while virtually stops work for this season, as the case will not be settled until this fall. In order to save future trouble our government ought to give to the railroads all the land that now owns for it seems as though when a railroad company wants a body of land, all they have to do is to claim it and they invariably get it.

Those who assisted in bringing Mrs S. and her body out of the mountains had a hard trip. The lady died very suddenly while searching for her horse. In one of the most inaccessible places that exist in the country, she died from a disease, as it is supposed, and she was two miles from home to Coal Creek Can-

yon. The party consisted of Mrs Shanda, a little 7-year-old girl, who was living with her, and an old German called Junior, who lived on a home stead near Mrs Shanda's place. The party was lost at the time of the old lady's death, and the body lay two nights before a trail could be cut so that a horse could get through and bring out her body.

Mrs Robert Leslie died on July 2nd, from a stroke of paralysis. She had been an invalid for some time.

Owing to the rain on the Fourth, the Molalla people celebrated at home. There was a lively little dance at the hall in the evening. The Dixie orchestra furnished fine music, and all had a good time. It was the intention of most everybody to go to Mackaburg if the weather had been pleasant, but owing to the steady downpour the celebration at Mackaburg was postponed until the 10th, so if the weather proves favorable we will have a sort of a second hand celebration on the 10th of July.

Charlie Polkey is visiting home folks now. He reports Charles H Bizer as being fat and as usual somewhat rascally. They both work at the same mill in Washington.

Mrs Lucy Briggs and family are visiting her father, W D Adams. Haying has commenced in earnest here, and the song of the sickle can be heard in every direction. X. Y. Z.

The Fourth was enjoyed in the style here, as the mind seemed to help things along a bit, and it seemed as if it was the 1st of March instead of the Fourth of July.

Bert Hubbard, of Oak Point, Wash., was in the city last Sunday on his way home.

Misses Basile and Meadie Hubbard are up from Portland on a few days' visit to friends and relatives.

Company D of this place is drilling very regular lately, as the annual encampment centers on the 15th to 24th. All the boys are happy and anxious to go, except one or two dissatisfied ones.

Demand for Normal Graduates.

The State Normal School at Monmouth report that the demand for its graduates during the past year has been much beyond the supply. Graduation from the Normal practically assures a place from \$40 to \$100 per month. The students take the state examinations during the regular course and are easily able to pass on all subjects required for state papers before graduation. The school has a well equipped training department consisting of a nine-grade town school and a typical country school.

RIPAN'S

For years I had been a sufferer with chronic stomach troubles, pressure of gas and distress of my bowels. I contracted what the doctors pronounced a low type of malaria. I could not take solid food at all, and only a very little of the lightest of diet would create fever and vomiting. The drug-gist sent me a box of Ripans Tablets, saying he sold more Ripans than anything else for stomach troubles. I not only found relief, but believe I have been permanently cured.

At druggists. The Five-Cent packet is enough for an ordinary occasion. The family bottle, 60 cents, contains a supply for a year.
