

Long Hair

"About a year ago my hair was coming out very fast, so I bought a bottle of Ayer's Hair Vigor. It stopped the falling and made my hair grow very rapidly, until now it is 45 inches in length."—Mrs. A. Boydston, Atchison, Kans.

There's another hunger than that of the stomach. Hair hunger, for instance. Hungry hair needs food, needs hair vigor—Ayer's. This is why we say that Ayer's Hair Vigor always restores color, and makes the hair grow long and heavy. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

A Letter From Litchfield, Neb.
Thomas Clancy, of Litchfield, Neb., wrote us a few weeks ago about his experience with Dr. Gunn's Blood and Nerve Tonic. As his case may be similar to others it naturally would be of interest to them to know the result of his test. He had been haunted for years with a gradual growing weakness until he was reduced to almost a shadow. His complexion was sallow and pimply, had dizzy and sinking spells, with loss of memory and ambition. Always felt tired and outdone, suffered greatly with nervousness, and felt that his heart's action was weak. His digestion was so poor his system received no nutriment. He says he commenced the use of this Tonic, taking one tablet after each meal. He did not notice much change after using one box only he enjoyed his meals better, still he kept on until he had used six boxes. He used the last box more than six months ago. When he stopped the use of Tonic he weighed 125 pounds more than he did when he commenced. Has not been sick a day since, and is well in both mind and body. Dr. Gunn's Blood & Nerve Tonic is the best medicine in the world for pale, weak or sickly women. Sold by all druggists for 75 cents per box, or sent by mail on receipt of price. Write us about your case. Address, Dr. Gunn, Philadelphia, Pa. For sale by Charman & Co., Druggists.

RIPANS
For years I had been a sufferer with chronic stomach troubles, pressure of gas and distress of my bowels. I contracted what the doctors pronounced a low type of malaria. I could not take solid food at all, and only a very little of the lightest of diet would create fever and vomiting. The druggist sent me a box of Ripans Tablets, saying he sold more Ripans than anything else for stomach troubles. I not only found relief, but believe I have been permanently cured.
At druggists. The Five-Cent packet is enough for an ordinary occasion. The family bottle, 60 cents, contains a supply for a year.
