Certainly not! You call the doctor whom you have the most confidence in. You ought to select your Prescription Druggist in the same way. Not the handiest one-nor the cheapest one-nor for friendship sake. No indeed! But the one who carries the best quality drugs, who prepares the medicine the most skillfully and accurately, and who will put up exactly the kind of medicine prescribed by your doctor.

In a word-go to the druggist in whom you can place implicit confidence. On these grounds we invite you to bring your prescriptions here.
