A Letter From Litchfield, Neb.

Thomas Clancy, of Litchfield, Neb., writes a few weeks ago about his experience with Dr. Gunn's Blood and Nerve Tonic.

As his case may be similar to others it naturally would be of interest to them to know the result of his test.

He had been haunted for years with a gradual growing weakness until he was reduced to almost a shadow.

His complexion was sallow and pimply, had dizzy and sinking spells, with loss of memory and ambition.

Always felt tired and outdone, suffered greatly with nervousness, and felt that his heart's action was weak.

His digestion was so poor his system received no nutriment.

He says he commenced the use of this Tonic, taking one tablet after each meal.

He did not notice much change after using one box only he enjoyed his meals better, still he kept on until he had used six boxes.

He used the last box more than six months ago. When he stopped the use of Tonic he weighed 28 pounds more than he did when he commenced.

Has not been sick a day since, and is well in both mind and body.

Dr. Gunn's Blood & Nerve Tonic is the best medicine in the world for pale, weak or sickly women.

Sold by all druggists for 75 cents per box, or sent by mail on receipt of price.

Write us about your case. Address, Dr. Gunn, Philadelphia, Pa. For sale by Charman & Co., Druggists.

NEWS OF THE WEEK.

Wednesday, August 6.

Harry Tracy.

Harry Tracy killed The Outlaw, himself in a wheat field near Fellows, Wash., during the night between Tuesday and Wednesday.

It was found, when his body was discovered on Wednesday morning, that he had been crippled and mortally wounded by the posse of four men hunting him, and that he had killed himself with a shot in the head from his 45-calibre revolver.

The wheat field was on the farm of L. B. Eddy, where he helped the hands on Monday. In the evening, G. E. Goldfinch, a young man whom he had forcibly detained on the ranch, was told by Tracy that he might go, but warned not to say anything on the pain of death.

Goldfinch, as soon as he got away, informed the posse as to the whereabouts of the outlaw, which on Tuesday hurried to the Eddy ranch.

While running from the barn to the cover of the wheat field, where he received the two fatal shots, Tracy fired eight or ten times without effect.

Since June 9th he has killed six men, besides Merrill, his partner. In 1897 he killed two men in Colorado, and committed a number of robberies before landing in the Oregon penitentiary.

Photographer C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion.

All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles.

A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwiler, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Cholera, Cholera and Diarrhoea Remedy to the house, telling them that I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this remedy frequently and have never known it to fail in a single instance." For sale by G. A. Harding.

A Clear Understanding

Ten Specific Reasons Why You Should Purchase a Piano From Eilers Piano House.

Facts That You Can't Afford To Overlook If You Are Thinking of Buying a Piano or an Organ.

1st. We save you from \$50 to \$200 on an instrument. A piano that will cost you \$300 or more elsewhere we sell for as little as \$186. And so on. We can do this because of our exceptional and exclusive facilities. We buy for four stores instead of one, and we ship in carload lots. Every detail has been conquered by us, and you get the benefit of it.

2d. You can get from us a fine piano for less than you must pay for an inferior instrument elsewhere. We cannot afford to handle any but good pianos.

3d. Our terms are the most liberal. \$10 down takes the choice of a beautiful and extensive line. The balance in very easy monthly installments.

4th. Our stock is the largest in the West. We have from 300 to 350 instruments from which you can make selection.

5th. We carry more different makes of pianos than any other music concern in the United States. Over 30 of the leading American piano factories are represented side by side on our floor.

6th. We treat our customers right. If your piano does not please you, you have the privilege of an exchange, or we will refund your money if we can't suit you.

7th. You run no risks when you purchase from us. We have four fine buy stores: one in Portland, one in San Francisco, one in Spokane and one in Sacramento. You deal with a reliable firm when you deal with us.

8th. And most important - We have the finest pianos that money can buy. Our "leaders" are the celebrated Chickering, of Boston, the piano made by the oldest established factory in the United States; the beautiful Weber of New York, famous the world over for its pure, rich, sympathetic quality of tone and its great durability; and the now famous and superb Kimball of Chicago. These pianos represent all that American genius and ingenuity and the accumulated experience of centuries can accomplish. It is not possible to produce better pianos.

RIPANS

For 20 years I had been a sufferer from bronchial troubles accompanied with a hacking cough. I at times suffered from extreme nervous prostration. About four years ago I began taking Ripans Tablets, and since then I have used them pretty constantly. I rarely retire at night without taking my Tablets, and I find they keep my digestive organs (which naturally are weak) in good order, and they also allay my tendency to nervousness and make me sleep.

At druggists. The Five-Cent packet is enough for an ordinary occasion. The family bottle, 60 cents, contains a supply for a year.

Wit in a Hospital.
