You Know What You Are Taking

When you take Grove's Tasteless Chill Mitts because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form. No Cure, No pay. 50c.

Pretty Safe Rule to Go By.

When there is a feeling that the heart or lungs, blood or liver, brain or nerves are diseased, at once commence to doctor the stomach. That is the foundation of the trouble in 90 cases out of every 100. Commence to regulate the digestive organs, get them in healthy working condition, and the other troubles will leave of themselves. Diseases which have their beginning in the stomach must be cured through the stomach. The medicine for stomach disorders and half the ills of life, is Dr. Gunn's Improved Liver Pills. These pills put all the digestive organs in good conditions so that disease has no basis to work upon. They are sold by all druggists for 25 cents per box. One pill is a dose. We will send a box post-paid, on receipt of 25 cents or to anybody who wants to try them we will send 2 pills free. Send name and address to Dr. Gunn, Philada., Pa. For sale by Charman & Co., Druggists.

When Sickness Comes

to the head of the family—the bread winner, the omnipresent thought is "Have I safely provided for the wife and little ones?"

Nine times out of ten, "No" is the answer. It is then too late, however, to do anything. The essential thing to do is to prepare now for what may occur at any time. An investigation of the Massachusetts Maternal new policies and bonds, will, without a doubt, bring to your notice a contract that will exactly suit your case.

If interested, send a postal, giving your name, address, occupation and date of birth, when an illustration will be sent you, showing exactly what the company will do for you. No guess work about it, as the dividends are paid annually and not withheld for twenty years or so, and then not paid unless the contract is in force at that time.

STOMACHS ON STILTS

The man who stands on stilts does not increase his stature a particle. He may feel taller while he's on the stilts, but when he's off them he feels shorter than he ever felt. A man can't live on stilts; he must come off them sooner or later, and then he realizes that whatever seeming advantage he gained from his artificial elevation was only temporary.

Stimulants are the stilts of the stomach. They lift a man up for the time being, but the good feeling they give is only temporary. A man can't live on stimulants, and when he leaves them he feels worse than ever. In this age of hurry and worry a large percentage of the population have some form of stomach "trouble," popularly described as "weak stomach." The first impulse of the average man whose stomach is "weak" is to have recourse to stimulants. He feels bloated after eating, has frequent eructations and a general feeling of physical discomfort. He takes a glass of something to "stimulate his stomach" and make him "feel good." He may get the desired result for a time, but he is doing nothing for the disease which is in reality aggravated by stimulants instead of benefited. The need of the "weak" stomach is strength, and it is obvious that stimulants can't strengthen the stomach because there is no true strength in stimulants but only a false strength. The jaded horse is no stronger because he mends his pace when pricked by the spur. His extra effort is a drain upon the reserve of his vitality, which may result in a complete breakdown. The seeming strength of stimulants is the false strength of a body spurred to effort and making a call on the reserve of vitality, which may and does often result in total physical collapse.

The success of Dr. Pierce's Golden Medical Discovery in re-establishing the health of weak, run-down, dyspeptic men and women is due to the fact that it perfectly and permanently cures diseases of the stomach and other organs of digestion and nutrition. It does not brace up but builds up the body. It contains no alcohol and is entirely free from opium, cocaine and other narcotics.

"Last spring, early, I wrote you my feelings and condition," says Mr. A. J. Vanderwater, of 875 West Division Street, Chicago, Ills., "and you advised me to take Dr. Pierce's Golden Medical Discovery. In all I have taken six bottles of the 'Discovery' and four or five vials of the little 'Pellets.' They have done me worlds of good. All my friends say: 'Vanderwater, how well you are looking. What in the world have you been doing?' I tell them I have been doctoring with Dr. R. V. Pierce, of Buffalo, N. Y. 'Why,' they say, 'you haven't been there?' 'No,' I say, 'but I took his 'Golden Medical Discovery' and his little 'Pellets.' These medicines have made the great change in me: from a slow mope of a man that could hardly crawl, tired and sick all the time, and who could do no work, to a man who can work, sleep, eat, and feel fine, and that tired feeling all gone away. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little 'Pellets' have almost made a new man of me. I feel as young as I did at thirty years. No other doctor for me, only Dr. Pierce."

"It is with pleasure that I tell you what Dr. Pierce's Golden Medical Discovery and 'Pellets' have done for me," writes Mrs. T. M. Palmer, of Peede, Kaufman Co., Texas. "Two years ago I was taken with stomach and bowel trouble. Everything I ate would put me in distress. I lived two weeks on milk, and even that gave me pain. I felt as though I would starve to death. Three doctors attended me—one said I had dyspepsia, two said catarrh of the stomach and bowels. They attended me (one at a time) for one year. I stopped taking their medicine and tried other patent medicine; got no better, and I grew so weak and nervous my heart would flutter. I could not do any kind of work. Now, since using your medicines, I can do my housework very well; am gaining in flesh and strength, and can eat anything I want."

No man can be stronger than his stomach. When disease fastens on the stomach and other organs of digestion and nutrition, the consequences are felt by the whole body. A "weak" stomach means a weak man, because when the stomach is "weak" the digestive and assimilative powers fail to a greater or less extent, and the nutrition of the body is inadequate to its needs. But if "weak" stomach means weak man, then weak man means "weak" heart, "weak" kidneys, "weak" liver, "weak" lungs, etc., because the physical man is only the sum of his organs and members, and his weakness is the weakness of each and all of the organs of his body.

This fact explains the cures of "weak" heart, kidneys, liver, lungs and other organs, by the use of "Golden Medical Discovery." First the diseases of the stomach and other organs of digestion and nutrition are cured, and thus the weak stomach is made strong. Digestion and assimilation are now perfect. The nutrition derived from food is all used, and not partly lost or wasted. The effects are at once shown in physical gain. The body puts on sound flesh and becomes strong, and as the body is composed of its organs and members, its restored strength means strength of heart, liver, lungs, kidneys—every organ receiving strength from the only source from which physical strength is derived, that is from food when properly digested and perfectly assimilated.

Dr. Pierce's Pleasant Pellets cleanse and regulate the liver and bowels. They produce permanent benefit and do not react on the system.
