A Letter From Litchfield, Neb.

Thomas Clancy, of Litchfield, Neb., wrote us a few weeks ago about his experience with Dr. Gunn's Blood and Nerve Tonic. As his case may be similar to others it naturally would be of interest to them to know the result of his test. He had been haunted for years with a gradual growing weakness until he was reduced to almost a shadow. His complexion was sallow and pimply, had dizzy and sinking spells, with loss of memory and ambition. Always felt tired and outdone, suffered greatly with nervousness, and felt that his heart's action was weak. His digestion was so poor his system received no nutriment. He says he commenced the use of this Tonic, taking one tablet after each meal. He did not notice much change after using one box only he enjoyed his meals better, still he kept on until he had used six boxes. He used the last box more than six months ago. When he stopped the use of Tonic he weighed 25 pounds more than he did when he commenced. Has not been sick a day since, and is well in both mind and body. Dr. Gunn's Blood & Nerve Tonic is the best medicine in the world for pale, weak or sickly women. Sold by all druggists for 75 cents per box, or sent by mail on receipt of price. Write us about your case. Address, Dr. Gunn, Philadelphia, Pa. For sale by Charman & Co., Druggists.

A Cue
"Last May," says Mrs. Curtis Baker, of Bookwalter, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Cholera, Cholera and Diarrhoea Remedy to the house, telling them that I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this remedy frequently and have never known it to fail in a single instance." For sale by G. A. Harding.

MUSIC

—AT— HOME

Here is an Offer from Eiler's Piano House

Ten Dollars judiciously expended before September 15th will create a new epoch for you in your home life. It will bring music into it and make it something very different from what it has been without a piano. Ten dollars will give you the refining influence, the inimitable pleasure of music.

All you need to do is to write us or come to our store and make a selection of a large and varied stock of fine pianos, pay ten dollars and the instrument will be delivered free to any railroad station or boat landing in Oregon or Southwest Washington. The balance? Well, the amount to be paid is no small each month that you will never miss it, and before you know it the piano will be fully paid for—your own property.

When you know that we guarantee every piano that we sell; that we can afford to handle only good pianos, you will realize that this is an exceptional opportunity for you if you need a piano, and every family needs a piano. You owe it to your yourself, to your wife, to your children.

The piano that we sell for \$10 cash and the balance in easy monthly installments is easily worth \$100.00 more than we ask for it. The regular price of this instrument elsewhere is \$325.00, but we are selling it until September 15th for as little as \$27.00 because we must make room for our extensive fall shipments. Only 65 of these instruments are to be sold at the above rate, so if you want one you must act quickly. The piano is a really fine instrument and a genuine bargain, not a so-called cheap piano. We have cheap pianos from \$127.00 to \$185.00. Remember that this offer expires September 15th.

Diseases which have their beginning in the stomach must be cured through the stomach. The medicine for stomach disorders and half the ills of life, is Dr. Gunn's Improved Liver Pills. These pills put all the digestive organs in good condition so that disease has no basis to work upon. They are sold by all druggists for 25 cents per box. One pill is a dose. We will send a box post-paid, on receipt of 25 cents or to anybody who wants to try them we will send 2 pills free. Send name and address to Dr. Gunn, Philada., Pa. RIPANS

For 20 years I had been a sufferer from bronchial troubles accompanied with a hacking cough. I at times suffered from extreme nervous prostration. About four years ago I began taking Ripans Tablets, and since then I have used them pretty constantly. I rarely retire at night without taking my Tablets, and I find they keep my digestive organs (which naturally are weak) in good order, and they also allay my tendency to nervousness and make me sleep.

At druggists.
The Five-Cent packet is enough for an ordinary occasion. The family bottle, 50 cents, contains a supply for a year.

AS IT WILL BE.

There's Lucy and Gertrude and Alice And Tommy and Willie and Sue, They all want to go to the seashore; Oh, what can a poor fellow do? The season is swiftly approaching When papa must make up his mind; As yet, of just one thing he's certain— That he'll have to linger behind!

For there is no room at the seashore For him who's providing the cash; He'll have to stay home with his business And see to annexing the trash. And when they have tipped all the waiters And scattered bright shelleys galore Tom, Bill, Sue, Gert, Alice and Lucy Will wire, collect, for some more!

For a change and a rest they'll be going. But we know away down in our breast That the change will all go to the waiters And the landlord will gobble the rest! Yet Lucy and Gertrude and Alice And Tommy and Willie and Sue, They all want to go to the seashore. And what can a poor fellow do?

—Baltimore News.

Plenty of Feed.

"Chickens are going higher in price," said Mrs. Tellit as she read the market column in the paper.

"Chickens?" asked Mr. Tellit.

"Yes, the meat trust now controls the supply of fowls and is raising the price every day."

"Well, the rapacious greed of these senseless corporations must be checked. There isn't any earthly excuse for charging high prices for chickens at this time of the year."

"But the paper says the meat trust assigns as a reason the scarcity of feed for the fowls."

"Scarcity of feed? Isn't everybody in this country planting flower seed right now?" —Baltimore American.

Appearances.

Customer (looking at photo)—Who is this serious, intellectual looking gentleman with the eyeglasses and surrounded by all the books?

Photographer—That, sir, is a portrait of Bill Dubois, the famous comic opera comedian.

Customer—Ah, I see; and over there you have a picture of him in a tramp makeup?

Photographer—Not at all, sir; that is a photograph of Professor Thinkdeep, the celebrated biologist.—Jewish Messenger.

Nipped in the Bud.

"What is the difference?" queried the exchange editor, "between a blissful Benedict and an agitated geographer?"

"One is happy though married, and the other is mappy though harried," responded the information editor, and there would have been further trouble right away had not the office boy come in with the announcement that it was time to begin packing things for moving.—Chicago Tribune.

Suppressed.

Father—Another foolish question and you go to bed.

Willie—But this ain't foolish! I only want to know what holds the sky up an' why ducks don't bark, and if—

—New York Journal.

Question Still Open.

"Talk about opals being unlucky," By George, I was wearing an opal pin the night I proposed to Miss Kerlly, and she accepted me!"

"Yes (puff), but what's that got to do (puff, puff) with the question of opals being unlucky?" —Chicago Tribune.

A Demand For Transparency.

"At this point," said the author, "the plot thickens."

"Don't let it do that!" protested the manager. "Thin it out. If there's anything that annoys the public, it's a plot that can't be seen through at a glance!" —Washington Star.

What It's Coming To.

Can't it be possible that it is coming to this, after all:

"Who made the earth?"

"God."

"Who owns the earth?"

"Morgan!" —Atlanta Constitution.

In Her Line.

Margie—Mama's stuck up 'cause she's a pineapple champion.

Lizzie—Hanna! No wonder she can play pluggin'—her slippers sinkers in a quick lunch restaurant.—Judge.

Qualifying It.

He—So you won't kiss and make up? She—Well, I won't make up.—Life.

As We Wish It Were.

De fishin' worm goes walkin' When de sun begins to shine, An' de fish he seems a-walkin' For to dance on de line.

An' you kind of feels a-hungry Foh jes' some sech a dish; Now, what was summer made foh If it wasn't made to fish?

De willows is a-laughin' At deir shadows in de creek; De water is complainin' 'Cause it has to move so quick; De grass it makes a pillow So invitin' by de stream; Now, what was summer made foh If it wasn't made to dream? —Washington Star.
