**THE DRAUGHT'S BLACK-DRAUGHT THE GREAT FAMILY MEDICINE**

The Draught's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sideache, backache, kidney troubles, constipation, diarrhoea, biliousness, piles, hard colds and headache. Every drugist has The Draught's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe The Draught's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Ilwaco, La.

**A Lette From Litchfield, Neb.**  
 Thomas Clancy, of Litchfield, Neb., wrote a few weeks ago about his experience with Dr. Gunn's Blood and Nerve Tonic. As his case may be similar to others it naturally would be of interest to them to know the result of his test. He had been haunted for years with a gradual growing weakness until he was reduced to almost a shadow. His complexion was sallow and pimply, had dizzy and sinking spells, with loss of memory and ambition. Always felt tired and outdone, suffered greatly with nervousness, and felt that his heart's action was weak. His digestion was so poor his system received no nutriment. He says he commenced the use of this Tonic, taking one tablet after each meal. He did not notice much change after using one box only he enjoyed his meals better, still he kept on until he had used six boxes. He used the last box more than six months ago. When he stopped the use of Tonic he weighed 28 pounds more than he did when he commenced. Has not been sick a day since, and is well in both mind and body. Dr. Gunn's Blood & Nerve Tonic is the best medicine in the world for pale, weak or sickly women. Sold by all druggists for 75 cents per box, or sent by mail on receipt of price. Write us about your case. Address: Dr. Gunn, Philadelphia, Pa. For sale by Charman & Co., Druggists.

**Mammy Mary's Message.**  
 In the course of her career, says a writer in Current Literature, Mammy Mary had met many distinguished persons, but her own importance as nurse for three generations in the family of General John B. Gordon of Georgia kept her from being overwhelmed by the honor.  
 When Mrs. Cleveland, during the second term of her husband's presidency, visited the Gordons at the governor's mansion in Atlanta, she expressed a desire to see a genuine old negro mammy. So the carriage was hitched up and Mammy Mary was sent for at Sutherland, the Gordon country place, which she preferred to the noise and excitement of official life. When the concubine drew up, he found her smoking her evening pipe. Not a step would she stir.  
 "She done say," said the unsuccessful envoy on his return to town, "dat she don't want to see no presidents; she done see 'nough presidents."  
 Mrs. Cleveland laughed heartily when she heard this. Then she proposed to go to the mountain, since Mohammed refused to budge, and the next day she drove out to Sutherland.  
 "I am surprised, Mammy Mary," said Mrs. Gordon before introducing the distinguished guest, "that you sent such a message. You have never been impolite before."  
 "An' dat nigger done tell what I say? Well, he never did have no sense an' no manners! Cose I 'spected he'd say I've sorry I've ind'sposed!"

**Overreached Himself.**  
 There is no man more pleasantly situated than the country editor, so called, who has a well equipped printing office in a good town, with a fair share of the county printing, a good circulation and plenty of jobwork and advertising. It may be that he takes a turn occasionally at working the press, making up the forms or even setting his own editorial in type, but he takes an honest pride in being able to do these things. He is willing to give every man his due, but insists on his own rights and dares to maintain them.  
 Such an editor was Colonel Blix of Roomtown. A customer whom he knew as a close fister man, came in one day to get a hundred sale bills he had ordered the day before. The editor handed him the bills neatly tied in a package. The customer untied the string, laid the bills on the "imposing stone" and proceeded to count them.  
 Editor Blix watched the count. When it was concluded, there proved to be six over and above the hundred. Without a word Blix took the six extra bills off the pile, crumpled them in his hand, threw them into the office stove and smilingly bowed his crestfallen patron out.—Youth's Companion.

**One of Field's Yarns.**  
 Here is a paragraph which Eugene Field, who enjoyed making fun of his friends, once printed in his famous column of "Sharps and Flats":  
 "Dr. William F. Poole, the veteran bibliophile, is now in San Francisco attending the meeting of the National Librarians' association. While the train bearing the excursionists was en route through Arizona a stop of twenty minutes was made one evening for supper at a rude eating house, and here Dr. Poole had an exciting experience with a tarantula. The venomous reptile attacked the kindly old gentleman with singular voracity, and but for the high topped boots which Mr. Poole wore serious injuries would have been inflicted upon our friend's person. Mr. Fred Hill, our public librarian, hearing Dr. Poole's cries for help, ran to the rescue and with his cane and umbrella succeeded in keeping the tarantula at bay until the keeper of the restaurant fetched his gun and dispatched the malignant monster. The tarantula weighed six pounds. Dr. Poole took the skin to San Francisco and will have it tanned so he can utilize it for the binding of one of his favorite books."

**A YOUNG LADY'S LIFE SAVED**  
 Dr. Chas. H. Utter, a prominent physician of Panama, Columbia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was much better; inside of three days she was upon her feet and at the end of one week was entirely cured." For sale by G. A. Harding.

**No Longer Than Your Hand**  
 is the spot in your back directly affected by lumbago. But it is big enough to prostrate you until a kind friend rubbed Perry Davis' Painkiller into your aching flesh. Then the throbbing pain, which has been as bad as toothache, dies away. Painkiller is equally good in relieving sciatica and the various forms of rheumatism. 25 and 50c bottles.

**Notice.**  
 Is hereby given that my wife, Priscilla M. Linn, has left my bed and board without cause, and that I will not be responsible for any debts contracted by her after this date.

Chamberlain's Colic, Cholera and Diarrhoea Remedy has a world-wide reputation for its cures. It never fails and is pleasant and safe to take. For sale by G. A. Harding.

**Over-Work Weakens Your Kidneys.**  
**Unhealthy Kidneys Make Impure Blood.**

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches, and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.  
 Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.  
 It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.  
 If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
