When Sickness Comes

to the head of the family-the bread winner, the omnipresent thought is "Have I safely provided for the wife and little ones?"

Nine times out of ten, "No" is the answer. It is then too late, however, to do anything. The essential thing to do is to prepare now for what may oc any time. An investigation of the Mas-sachusetts Mutual's new policies and bonds, will, without a doebt, bring to our notice a contract that will exactly suit your case.

If interested, send a poetal, giving your name, address, occupation and date of birth, when an illustration will be

sent you, showing EXACTLY what the company will do for you. No guess work about it, as the dividends are paid annually and nor withheld for twenty years or so, and then not paid unless the contract is in force AT THAT TIME.

H. G. COLTON, Manager Pacific Coast Dept , Chamber of Commerce Portland, Or.

Bright's Disease. The largest sum ever paid for a pre-scription, changed hands in San Fran-
