Fashionsable Wearing Apparel

For Men and Boys

"The sears of ages have worn thin the armor of Time..."

The years that are gone have left their mark on your body. They have worn down your nerves, and made you weaker. It is time for you to strengthen your body, and the best way to do that is to take exercise. The air is full of dust, and the smoke from the factories is choking you. It is time for you to change your habits, and to take more exercise.

The time is come when you must begin to take care of your body, and the best way to do that is to take exercise. The air is full of dust, and the smoke from the factories is choking you. It is time for you to change your habits, and to take more exercise.
