Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through

your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected

kidney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidneypoisoned blood through veins and arteries.
It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their begin-

ning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases

and is sold on its merits by all druggists in fiftycent and one-dollar sizes. You may have a sample bottle by mail Home of Swamp-Boot free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y. & Co., Binghamton, N. Y.

Many years ago, when England was engaged in foreign complications, the first lord of the admiralty sent Admiral Codrington a dispatch which was most peaceful as far as it appeared before the public. He told him not to take his ships into action and so forth, but In a corner he wrote this short private note, "Go it, Ned!" And Codrington went to Navarino and smashed up the Turkish fleet.
