

CORRESPONDENCE.

Redland.

Miss Maude Stone is home from Willamette University on a week's vacation. D. H. Mosher is home from the University, but am sorry to say that Dan is sick in bed with typhoid fever. It is hoped he will soon recover. The quarterly meeting for Viola circuit will be held at Viola on the 9th of December. W. H. Bonney is getting his neat cottage well under cover. J. A. Randolph has attached the plank on Viola road, but hope the matter will be adjudget without any further trouble. L. F.

Here we are still living in the land of health, wealth and prosperity if it is at a distance. Road Boss Boyles is doing some good work on our roads. Mrs. Wade and Mrs. Haun were transacting business at Silverton a few days ago. Matters have taken a serious turn, I must say, and it seems as though something should be done to put our thoroughfares in better condition for travel. A few days ago our honorable postmaster was out taking a pleasure ride and things went well until he came to the Crouse Hill, where he had the misfortune to stick after encountering numerous difficulties. He at last succeeded in reaching the hilltop in safety, and to make matters worse the roadmaster stood viewing his critical situation while a broad smile played across his pleasing countenance. Mr. and Mrs. Haun were visiting relatives near Marquam one day last week. Thanksgiving was amply celebrated in this section. C. G. Vorhies, a well known young man of this neighborhood, made a trip to Silverton a few days ago and brought home a fine cook stove. That's all right, Jim. The stove first, and then the cook, if you do have to go to Mill City after her. G. W. Wyland has been improving his place in the way of clearing up the land. Correspondents seem to be few and scattered. As I have been with the Courier-Herald three years, I would like to give my place to some one else. The hunting season has closed, but the yelp of the hunter's dox and the crack of his rifle still furnishes music for the attentive ear of the game warden. The dance given by C. G. Vorhies was a grand success. The light fantastic was tripped until 12 o'clock, when a luscious lunch was served to which all lid ample justice. Frank Haun and Charley Burget, of Marquam, went to the mountains one lay last week to get tamarack to make violins and deer sinews to make strings of. The game warden will do well to keep an eye on Accident Camp. The boys from this section are all some from their summer's work. Alvin Wyland and Ralph Slaughter, the last two, came in Thursday last. We welcome their smiling faces. SLIM JIM.

Shubel.

The damage done by the fire some time ago is being repaired as fast as help and material can be had; the outside fences are about all built. F. Moehne, C. Hornshuh, Wm. Guenther and P. Massinger have their new barns finished. Mr. Blum will have his barn finished in a few days. E. W. Hornshuh will have his house completed in a short time. Farmers are behind with their fall work on account of the fire. Quite a number of the farmers have their wheat sown, while some are still digging potatoes between showers. Mrs. J. Schmidt has been confined in the house for some time with an abscess on her foot. Our school is progressing nicely under the management of Mr. O. Poole. E. A. Cummins of Highland is moving in his father's place. C. Poole, our school teacher, went to Dayton to eat his Thanksgiving dinner. George Schmidt made a business trip to Portland last week. Cummins & Co's. saw mill men have exchanged their two old planers for one new one. They will then have one of the best mills in the country, and are now ready to fill all orders on short notice. They are working a full gang of men with B. Cumins as head sawyer and Mr. A. Glover as general manager. J. Heft & Co. are running their mill one or two days a week. The rest of the time Mr. Heft is working at arpenters work. He is also building Mr. Hornshuh's house. Mrs. McCaig writes from Helena that they are willing to sell their farms. Here is an opportunity for some one with a small capital. For information call at Shubel postoffice.

Mark's Prairie.

Miss Martha Armstrong is working for Mrs. Yost. Mr. Leach, of Nebraska, is visiting relatives here. Mr. Erb has a contract of 2000 railroad ties and is cutting them now. He is also prepared to furnish first-class lumber on short notice. George Oglesby is getting out some material for Frank Yergen's barn. Another wedding is expected here soon. Philip Wiegand is the boss trapper. He is chief manager for the Northwest Fur Company. Needy has a debating society. Several old-time debaters will assist in making it a success. Needy Camp 511, W. O. W., elected its officers at their last meeting. Consul Commander, Gilbert Noe; adviser, Lieutenant, S. Kinzer; clerk, B. F. Smith; banker, Y. E. Fish; escort, M. Stouffer; watchman, Lee Fish; sentry, F. Hart; board of managers, G. E. Oglesby, Gilbert Perdue, F. Bagly; musicians, J. F. Oglesby, Ernest Steve. The county surveyor has been doing some work here the past week, with the result that the parties do not know quite as much about where their land lays as they did before he came. VERITAS.

Logan.

The entertainment and dance given at the Grange hall on Thanksgiving night was a success in every way. A good, varied programme was rendered, under the supervision of the committee, Mrs. M. L. Gill, Mrs. Laura M. Kirchem and S. G. Kirchem. The admission fees amounted to \$36.10. The dance was kept up by the young folks and some old ones to the small hours. Fifty-one numbers were sold at 50 cents, and as the music was gratis by the local talent, enough was realized to make the total about \$90. Peter Gerber, brother of Jacob Gerber, Sr., formerly of Logan, now of Sellwood, returned with the latter on his recent visit to Missouri, and is visiting relatives here. He was with Kilpatrick under Sherman on the march from "Atlanta to the Sea," and gives interesting reminiscences of his experience, including an amusing account of his success as an unwilling forager. We forgot to mention in our previous letter that two of the beneficiary fraternal orders are represented at Logan by small but enthusiastic lodges. The Woodmen of the World and the Modern Brotherhood of America both meet at the Grange hall.

Eldorado.
Sebastian Bany, Neva Jones, Kittie Lyons and Ernest Jones were in Oregon City Sunday. Ed Paine has a crew of potato diggers at work at present. Bob Schubel called on Will Jones Sunday evening. The show at Eldorado was o. k. Friday night. Lillian Gans spent Saturday night and Sunday with A. L. Jones and wife. Ernest Jones spent Sunday evening at Mrs. Lyons. Billy White is working for Ed Paine. Mr. and Mrs. Gillett and family, of Ely, spent Thanksgiving with friends here. Say, Bany, how's "Ole Olson?" Daniel Frazer and wife spent several days at Al Jones' last week. George Helvey is at home for the winter. Edith says limburger cheese is fine for the hair. Try a piece in your hat. Cora Strycker and Mrs. Delaney are working at Ed Paine's. Sebastian Bany and Ernest Jones have rented the Jones' hop yard for three years. Alfred Guerrier is working for Al Schenborn. Say, Dewey, what is the matter with Beaver creek? "I WONDER WHO?"

Card of Thanks.
We desire to thank the good people of Canby and vicinity for their uniform kindness during the recent illness of our son, and especially to thank the members of the Rebekah lodge for their burial offering and many other helpful and kindly offices.

THIRTEEN DOCTORS FAILED.

Mrs. M. A. Close, of Nebraska, Was Cured of Incipient Consumption After All Medical Aid Had Failed--Read Her Letter.

MRS. M. A. CLOSE.

Kearney, Neb., July 8, 1900.

Dr. S. B. Hartman, Columbus, Ohio:
Dear Doctor--"I desire to express to you my sincere thanks for the interest you have shown in my case, and for the timely aid and advice which has effected a cure of as bad a case of consumption as could be well imagined. "Peruna and Manalin have done what thirteen of the best physicians in the country have failed to do. For more than three years I doctored for consumption, and spent thirteen weeks in a Pulmonary Sanitarium at Milwaukee, Wis.; but finding myself growing worse, as a last resort, I came West where I was bedfast for many weeks, and the physicians which my husband called gave no hope but said, 'She cannot possibly live more than a few days.' But thanks to Peruna, I fooled them all. In an incredibly short time after I began to take Peruna the hemorrhages stopped. I began to mend slowly at first, but the improvement became more marked, and now I can truthfully say that there is not the slightest trace of my old complaint. "I would have written you a long time ago, but have purposely wanted to see if the effect was lasting; and in conclusion I would say, God bless you and keep you with us that you may go on with your work of mercy for many years to come."--MRS. M. A. CLOSE.
P. S.--"I am going to visit friends in Wisconsin who never expected to see me alive again, so please forward mail to me at 579 Pacific street, Appleton, Wis."--M. A. C.

FOUND HERSELF GROWING WORSE.

AN OLD COLD

Is Catarrh, and Catarrh Leads to Consumption.

The tendency of catarrh of the head is to pass downward through the bronchial tubes to the lungs. Any one who has had catarrh of the head for a year or more finds the disease gradually progressing downward. In some cases the progress is rapid, and in other cases it is slow; but sooner or later if catarrh is allowed to run, it will go to the lungs and set up the disease known as consumption. It is doubtful if consumption is ever caused by anything except catarrh. The catarrh usually begins as a cold in the head or throat, and is neglected until it becomes chronic; then it begins to dawn on the victim that he has catarrh. Unless he is very foolish indeed he will not rest easy until the catarrh is entirely cured. Thousands pay no attention to it until it is too late. Mrs. J. Priest, Lee, Mich., writes:--"I think there is no medicine on earth that excels Peruna. My husband won't take any other. We have tested it and it worked a great change in my son's health last spring when we thought he was going into consumption. We gave him only one bottle and he was all right. I tell everybody about how much good it has done us. My husband says he can't do without it. As for myself it saved me seven years ago from going blind. I could not see to read one word for six weeks. I thought I should surely lose my sight. I commenced taking Peruna and by the time I had taken one bottle I could see to read as well as ever. We think it is a grand medicine."--Mrs. J. Priest.

Use as Much as Needed. If Peruna is used a cold never becomes chronic, and hence catarrh is prevented. But after catarrh has become thoroughly established Peruna will cure it, but it will take much longer. Even in cases where catarrh has attacked the lungs and the symptoms of consumption have shown themselves, the Peruna will cure. A great many cases of genuine consumption have been cured with Peruna after the patient had been given up to die, as in the case of Mrs. Close.

Miss Corinne Gilmore, 133 Vance St., Memphis, Tenn., uses Peruna for colds and catarrh. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Introductory Piano Sale

Fine Pianos Can Be Secured in Oregon City as Reasonably as They Can Anywhere

EILERS' PIANO HOUSE

To Hold a Three Day's Introductory Sale at Bermeister & Andresen's New Store

In opening their new handsome store on Main street, Messrs. Bermeister & Andresen have added to their elegant display of jewelry a line of fine pianos from Eiler's Piano House, Portland, and will include in their opening a three day's sale and exhibition of these magnificent instruments. This sale will open Monday and continue through to Wednesday evening. Anyone at all interested in the purchase of a piano will find it to their interest to examine the instruments included in this sale.

Prices and Payment.

These pianos are to be sold on the Co-operative Club Plan, on which Eiler's Piano House is now making such extraordinary large sales, and which secures to retail buyers practically wholesale prices, the principle on which the selling is done being virtually the same as that on which prices are made to wholesale buyers.

The Pianos.

The pianos which will be exhibited and on sale this week are handsomely cased and beautiful toned sample styles of every instrument handled by this house. Patrons of Eilers' Piano House are legion in Oregon City, and every one speaks in the highest terms of the house and its methods of doing business. One of the most interesting features of this sale will be the performance by the wonderful piano player, the Angelus, which will be exhibited in connection with the many toned Crown piano. Mr. W. J. Shanahan, who has been intimately connected with the piano business for the past forty years, and who is now one of the managers at Eilers' Piano House, will be in attendance during these three days.

Remember the place--
