

Cordial Christmas Greeting

To you one and all. We take it for granted that your hearts are in the right place this year, just as they have always been in the past, and you feel the same generous desire to remember those you love with appropriate and desirable Christmas gifts this season as heretofore. We are therefore pleased to announce to you that we have laid in a large and very complete assortment of beautiful new holiday goods, perfectly adapted to the wants of warm-hearted gift makers. Our stock is so extensive and varied and withal so carefully selected that we do not see how we can fail to please every single person who is looking for a desirable and appropriate gift for anybody, old or young.

We wish to make our holiday announcement this year particularly a talk to your pocketbook. We are going to be the people's Santa Claus this season just as far as the inexorable laws of business will permit, by selling you Christmas gifts of all kinds at the lowest scale of prices known to honest trade. We are going to make your money far-reaching and profitable in the exchange for Christmas gifts. We want you to come in and see how little it takes to secure suitable and appropriate gifts for those who you desire to mention.

For weeks past we have labored industriously to prepare for the Holiday trade, and our store is now fairly shining with a beautiful array of Christmas gifts. Special pains and much careful consideration was expended to make the collection of Christmas goods one which should include something really desirable for every individual, from the youngest to the oldest. We have made it a point to have great variety in goods of all prices, ranging from the merest trifle upwards, in order that you may make good selections at any price you feel able to pay. Having thus smoothed the way for all classes of buyers by grading and assorting our stock in such a way as to meet the needs of those who have little as well as those who have much to spend, and having marked all our goods at the lowest possible figures, we feel that we deserve your patronage. Hoping to see every reader at our store at an early day, we remain,

Yours truly,

FRANK BUSCH
