Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, dis-courages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order

Kidney trouble has come so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urin-ates too often, if the

urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as

most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold

by druggists, in fiftycent and one dollar
sizes. You may have a
sample bottle by mall
free, also pamphlet telling all about it, including many of the
thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

The Christmas week was a busy one in the matrimonial market. Loving swains were in town from almost every section of the county seeking licenses, and the number of licenses granted by County Clerk F. A. Sleight were greater in December than in any two preceding months. Altogether, there were approximately 160 licenses issued to Clackamas county people during the year 1902. On December 27th Felix Victor and Inez Thomas Hinman were granted a license to marry. The bride is from Clackamas county, while the groom hails from Multnomah.
