**CHARLES FOUTS, ONE TIME A RESIDENT OF THIS CITY, DIES OF HEART TROUBLE**  
Buried Here Sunday.

T. W. Fouts received a message from The Dalles Friday morning stating that his brother, Charles Fouts, had dropped dead during the day, from an attack of heart trouble. Mr. Fouts was a former citizen of Oregon City, having lived here a good many years ago. He was 53 years old, married, and leaves a wife and three children, all grown. His remains were shipped to this city for burial Sunday and were taken charge of at the depot by Undertaker R. L. Holman. In the afternoon the funeral obsequies were held at the Episcopal church in this city after which the remains were laid to rest.

"Some time go my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which was undoubtedly ward off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. Sold by G. A. Harding.

Positively selling at cost at the Racket Store.

**HOUSEWORK**  
Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.  
**WINE OF CARDUI**  
is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendane, Ky., Feb. 10, 1901.  
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fatter than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day.  
Mrs. RICHARD JONES.

## REAL ENJOYMENT.

The woman who reads this will understand to the full what Mrs. Tipton meant when she says: "I am enjoying good health." It takes a person who has been made wretched by sickness to understand the joy of health.  
There are very many women who suffer as did Mrs. Tipton, who might be cured as she was by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries the drains which weaken inflammation and ulceration, and cures female weakness. It makes weak women strong, sick women well.  
"It is with pleasure I recommend Dr. Pierce's medicine," writes Mrs. Nora Tipton, of Cropper (Cropper Station), Shelby Co., Kentucky. "You remember my case was one of female weakness and weak lungs. I had no appetite and no sleep, often spit blood; was confined to my bed almost half of the time and could hardly stand on my feet at times for the pains in my chest, stomach and system. My husband had to pay large doctor bills for me, but since I have taken four bottles of Dr. Pierce's Golden Medical Discovery, four of 'Favorite Prescription' and three vials of 'Pleasant Pellets' we haven't paid any more doctor bills. It had been seven months since I stopped using Dr. Pierce's medicine and I have been enjoying good health all the time. I can never praise these medicines too highly for I have received so much benefit. I pray that many who suffer as I did will take Dr. Pierce's medicines. I am sure they will never fail to cure when given a fair trial. Everybody tells me I look better than they ever saw me. I am sure I feel better than I ever did before."  
"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.  
Dr. Pierce's Pleasant Pellets are a ladies' laxative. No other medicine equals them for gentleness and thoroughness.
