I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annapolis Bay, Jamaica, West India Islands. DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Secured a \$1500 Judgment.

John W. Nendel, formerly a conductor on the P. C. & O. Railway Company at Portland, recovered damages of that company for the amount of \$1500 last Friday. The plaintiff was represented by Gilbert L. Hedges and his brother, J. E. Hedges, of this city. The attorneys for the defense were Dolph, Simon, Malory and Gearin, of Portland, and Judge Rufus Mallory conducted the case in the court.

The suit was brought about by accident which occurred on the above mentioned railroad August 1, 1901, for \$500. Nendel was at that time a conductor on the said road. In endeavoring to make a coupling a defective ratchet caused the car to suddenly jump forward catching Nendel between two cars, breaking his right arm near the elbow and otherwise mauling and bruising him. The accident occurred at First and O streets, Portland.

Nendel brought suit the following March and nearly a year elapsed before the trial took place Friday. The suit created much interest in this part of the state. Nendel was a former Oregon City boy and still has many friends here, who will be glad to learn that he has won his case. The Hedges are also being congratulated on having won their case.

A Golden Opportunity In the Bohemia Mining Districts of Southern Oregon. This is proving to be one of the richest mining districts in the World and may in no great while rival the celebrated Cripple Creek District of Colorado. The Hiawatha Mining & Milling Co. of Cottage Grove, Oregon, Bohemia District. Has recently, during development work, struck very rich ore in large quantities and the company has decided to place a stamp mill on the property at a very early date and have placed a block of stock on the market to raise money for that purpose and are selling stock at ten cents per share, which no doubt will be worth at least \$1 per share, as soon as dividends are paid, which will be in the near future. Don't wait until this block is sold and then kick yourself because you can't get stock for less than \$1 and more per share. In The Leroy Mine. Only a few hundred feet from the properties of the Hiawatha during the last two weeks a great strike has been made. A ledge of ore twenty-six feet wide from wall to wall has been uncovered that runs hundreds of dollars to the ton. All of the Leroy stock was at once taken from the market and not a dollars worth of it can now be had at any price. The stock was selling for ten cents per share and is to day worth \$1.00 and none for sale. This same ledge no doubt runs through the property of the Hiawatha as well as other fine ledges which have already been uncovered. The last block of Hiawatha stock is now on the market. When it is disposed off the company will have sufficient money to put in their ten stamp mill and continue their development work. Not a dollar of this stock has been sold for less than par. ten cents per share. In six months in all human probability this stock will be worth \$1.00 per share and will go much higher as soon as the mill gets to work and the dividends begin to be paid. This is the Opportunity of a Lifetime And if You Miss it You Miss Your Chance. Address at once Hiawatha Mining and Milling Co. Cottage Grove, Oregon Or see O. D. EBY, of this city.
